History Grd1november 2014:

Library Technology and Digital Resources Marie Keen Shaw, 2015-11-12 In the last decade library collections have rapidly evolved from a predominance of print books and journals to an ever growing mix of digital and print resources Library patrons are predominately served by support staff that is expected to know how to help patrons select and use digital resources Yet most library support staff LSS has not had training to become proficient in finding using and instructing others in the abundance of the digital resources of websites databases e texts digital libraries and their related technologies Library Technology and Digital Resources An Introduction for Support Staff is both a text for professors who teach in library support staff programs and an introductory reference manual for support staff who work in libraries This book will guide the LSS to be able to Distinguish key features and enhancements found among vendors and providers of digital libraries digital collections databases and e texts Plan budget fund and write grants for digital resources Understand the complexity and options of licensing and usage agreements for digital resources Know copyright permissions and acceptable use guidelines for digital resources Understand the basic technologies that support library digital resources including network structures software applications and protocols Distinguish between directories and search engines as they relate to digital resources as well as be able to employ advance search skills effectively Explore the resources of global national and state digital libraries and their collections Use government databases and other digitized systems and information sources Find exemplary digital resources though other agencies such as museums university collections and other sources that librarians can share with patrons Create local digital resources of primary and historical materials and artifacts with metadata and cataloging for searchable access Interpret meaning from library digital resources using visual literacy skills Promote library digital resources through a variety of means including social media and online options Canada's Residential Schools: The History, Part 2, 1939 to 2000 Truth and Reconciliation Commission of Canada, 2015-12-09 Between 1867 and 2000 the Canadian government sent over 150 000 Aboriginal children to residential schools across the country Government officials and missionaries agreed that in order to civilize and Christianize Aboriginal children it was necessary to separate them from their parents and their home communities For children life in these schools was lonely and alien Discipline was harsh and daily life was highly regimented Aboriginal languages and cultures were denigrated and suppressed Education and technical training too often gave way to the drudgery of doing the chores necessary to make the schools self sustaining Child neglect was institutionalized and the lack of supervision created situations where students were prey to sexual and physical abusers Legal action by the schools former students led to the creation of the Truth and Reconciliation Commission of Canada in 2008 The product of over six years of research the Commission s final report outlines the history and legacy of the schools and charts a pathway towards reconciliation Canada s Residential Schools The History Part 2 1939 to 2000 carries the story of the residential school system from the end of the Great Depression to the closing of the last remaining schools in the late

1990s It demonstrates that the underfunding and unsafe living conditions that characterized the early history of the schools continued into an era of unprecedented growth and prosperity for most Canadians A miserly funding formula meant that into the late 1950s school meals fell short of the Canada Food Rules Overcrowding poor sanitation and a failure to adhere to fire safety rules were common problems throughout this period While government officials had come to view the schools as costly and inefficient the churches were reluctant to countenance their closure It was not until the late 1960s that the federal government finally wrested control of the system away from the churches Government plans to turn First Nations education over to the provinces met with opposition from Aboriginal organizations that were seeking Indian Control of Indian Education Following parent led occupation of a school in Alberta many of the remaining schools came under Aboriginal administration The closing of the schools coincided with a growing number of convictions of former staff members on charges of sexually abusing students These trials revealed the degree to which sexual abuse at the schools had been covered up in the past Former students who came to refer to themselves as Survivors established regional and national organizations and provided much of the leadership for the campaign that led to the federal government issuing in 2008 an apology to the former students and their families

Dwight Diller Lewis M. Stern,2016-05-03 Dwight Hamilton Diller is a musician from West Virginia devoted to traditional Appalachian fiddle and banjo music and a seminary trained minister steeped in local Christian traditions For the past 40 years he has worked to preserve archaic fiddle and banjo tunes teaching his percussive primitively rhythmic style to small groups in marathon banjo workshops This book tells of Diller s life and music his personal challenges and his decades of teaching an elusive musical form
