How To Believe In Your Elf:

How to Believe in Your Elf Prof Oddfellow, Craig Conley, 2014-11-14 There is a vast world of reality into which science can no more enter than an elf can be Santa Claus We regret to observe that rather than face it and confess its inability to measure it science turns its back upon it Life is not always every day life and the insolvable mysteries are correlated not to formal rules but to spirit and inspiration Are bits of wisdom liable to dwarf the subject Indeed and rightly James Howell described the ingredients of a good proverb to be sense shortness and salt May Howell's cry resound through this present present collection of maxims on believing in one's elf

How to Love Your Elf Kerrelyn Sparks, 2020-02-25 Game of Thrones meets The Princess Bride in this hilarious new series combining romance and high fantasy by New York Times and USA Today bestselling author Kerrelyn Sparks Raised in isolation on the magic shrouded Isle of the Moon five girls became five sisters Now women they are ready to claim their places in the world and perhaps change it forever FLAME AND FORTUNE Sorcha knew the mission was dangerous Leaving the safe grounds of her brother's kingdom and parlaying with the elves across their border well treachery seemed at least as likely as true peace But to support her sister Sorcha would brave far more than the underhanded ways of the elves Or so she thought before she was taken hostage Of course her captors didn't count on her particular abilities or on the help of the Woodsman the mysterious thief who made his home in the forest He saw the battle from the trees saw the soldier attacking against incredible odds to save a comrade and then saw the valiant fighter revealed as Princess Sorcha of Norveshka He can't tell if he wants to kidnap her or kiss her But despite Sorcha's stubbornness his inconvenient honor and a rebellion on the cusp of full war something burns between them that neither can let go Sparks crafting of distinct kingdoms and fantasy races is the strongest part of the series An adventurous fantasy romp Kirkus Reviews Satisfying chemistry a playful sense of adventure and the threat of more danger to come keep the pages turning Readers will revel in this fun fast paced fantasy romance Publishers Weekly

The Free Bastards Jonathan French, 2021-09-28 The long awaited war has come in the sweeping conclusion to the Lot Lands trilogy another irresistibly swashbuckling swaggering foul mouthed fantasy from the author of *The Grey Bastards* A rip roaring shelf bending conclusion nothing short of an adventure fantasy masterwork Kirkus Reviews Best Books of the Year War has come to the Lot Lands and Oats stands upon the frontline The Hisparthan armies on the horizon are mighty bolstered by divine champions dread sorcerers and gunpowder It s almost more than the half orc rebellion can hope to repel But Oats has won impossible fights before He s a thriceblood after all more orc than man And he hasn t forgotten how to kill He ll stack the bodies high for his chief and his brethren if that s the price of freeing the Lots from human tyranny Besides the invading forces are getting a damned sight more than they bargained for They re not facing a handful of half orc hoofs but a true army one forged from all the peoples of the Lots At its head are Fetching in full command of the ruinous power that runs through her veins and Jackal armed with the blessings of a dead god Yet Oats can t help but find his faith wavering Once the strongest Bastard he soon realizes that in this battle even the strength of a thriceblood is easily conquered And after a grievous loss strikes he begins to fear that this war will lead the Lots not to freedom but to ruin So when another path to peace beckons he has no choice but to walk it Even if it means betting the Lots fate and his own on the promises of the Bastards wildest adversary and making a perilous journey into the heart of Hispartha itself Brimming with all the epic battles surprising sorcery and fiendish twists a Bastards fan could wish for alongside unforgettable moments for characters old and new *The Free Bastards* builds a new future for the Lots even as it gives our beloved trio of Jackal Fetching and Oats the rousing blood soaked sendoff they deserve

The World of Deatra Kathrine Cardona-Andrade, Hilario D. Cardona-Andrade, Sonja Montoya-Frevele, 2023-12-19 About the Book The unicorns heart beat wildly in her chest as she fought to escape her plight Her horn glowing brightly as sweat slid down her sides dotting the ground like splattered blood Golden hoofs dug deep into the soil propelling her forward into danger looming in the darkness Panicked she ran towards the safety of the dark woods The unicorn made one final attempt to dodge the red ropes of magic that came at her from all directions ropes thrown by evil sorcerers She jumped to the side trying to dart past two more sorcerers seated on black horses Only this time the move didn t work and the red ropes landed around her neck trapping her in a mysterious void of darkness and mist The frightened unicorn reared up struggling to free herself refusing to give up hope She could hear the dark sorcerers and their queen laughing at her futile struggles and cries for release Lashing

out with her hoofs she kicked something cold and clammy Her eyes widened in horror for she found herself amongst the dead

Vivo, The Magic Bear Florina Petre,2015-06-30 Vivo the Magic Bear is a story born from the desire to restore the hope to those who are sad and teach them how to rediscover their dreams and not to give them up again I'm one of the billions of fans of Michael Jackson I wrote this book as a tribute in memory of the King of Pop and I dedicate it to his children and fans I could say that is a message for all those who love Michael Jackson and want him close to their hearts That's what I felt when I wrote this book each paragraph came like a twinkle in my mind in the moment I was thinking about Michael This book is magical because my inspiration came from magic and the magic is Michael Jackson himself During the writing of the book I felt I had to teach the children that each of us has the power to heal ourself and to accelerate healing The magic of the little bear Vivo is supported in reality by the awakening power of self suggestion the purpose of healing being in its entirety The person who will read or listen to the story will look at the little bear Vivo as a hero who can heal all wounds with his magic wing In a world where it's all about money and power here on the scene is a book that speaks to you about soul life and strength to move forward when you have a thousand reasons to quit This book is about the friendship between two magical beings who live on an island and the island is guarded by a good spirit M Angel Michael Jackson who helps the two friends in their adventures Vivo has a magical wing received as a gift from M Angel and the wing can heal and bring light Vivo and Puff are best friends and each has one single wing Only together can they fly In this way the story tells us to be united so that together we can win Together we can heal the world as Michael taught us to do Vivo will teach children and adults to be tolerant loving and brave When I designed this character I used the idea that each of us has the power to heal through words through moral support with love Children around the world need a hero to teach them to believe in their dreams to grow and develop through positive thinking devoid of fear We must learn to be better because each of us is a step toward a better world We are the world and if we want to have loving people and streets devoid of violence we need to have models to teach us the importance of friendship love truth for all these Vivo is perfect There must be a small star to enlighten our souls and to teach us which are the true values of life We need spiritual light to be better more tolerant more loving to hope and to believe in our dreams
