Unlocking the Secrets to Successful

Parenting James Dudelson, 2022-01-27. Believe it or not, 73% of adults say that parenting is their biggest challenge and 54% wish they had more information about how to be a better parent. You could find yourself falling into these statistics, but the good news is that parenting is a skill that can be learned and constantly improved. This book is for every parent who dreams of seeing their children thrive in adulthood but fears using common methods that could actually do the opposite of what they are trying to achieve. You will explore strategies, information and guidelines that will set you up to parent an independent child successfully.

The Complete Guide to Understanding, Controlling, and Stopping Bullies & Bullying Margaret R. Kohut, 2007. Forty percent of U.S. students voluntarily report being involved in bullying as bullies or as victims according to the results of the first national survey on this subject. Bullying is increasingly viewed as an important contributor to youth violence including homicide and suicide. Case studies of the shooting at Columbine High School and other U.S. schools trace the multiple murders to bullying incidents. School is a prime location for bullying and its effects can last a lifetime. Bullying is one of the most underrated and enduring problems in schools today and is a reality in the lives of all children, whether they are bullies, victims or witnesses. In this book, you will learn why bullying occurs and get at the root causes for it, why some children are victimised and why others are vicious, how to develop an anti-bullying policy, how students, parents and teachers can work together to stop it before it goes too far. You will learn about cyber bullying, racist bullying, sexist bullying, phone or note bullying, gang bullying, teacher bullying and sports bullying. You will know how to evaluate the bullying problem in your school, develop anger management and conflict resolution skills, develop awareness of the problem, learn victim role playing and assertiveness training and how to provide better supervision of key areas of the school where bullying often occurs. All children deserve the right to go to school free of intimidation. Help make your school bully free by using the information contained in this groundbreaking new book. If you are interested in learning essentially everything there is to know about stopping bullies and bullying, then this book is for you.
