Will Richard Convery,2013-04 Will is the story of Wezzo and Geoff two school friends with the world at their feet whose choices lead them down vastly different paths Later their worlds collide and once again they become uniquely linked All of us make choices But what happens when our choices plunge us into despair What can we do Who do we turn to Wezzo's choices leave him homeless on the city streets of Newcastle Australia while Geoff's choices trap him in a maze of diabolical white collar corruption Yet they'd both started out like you and me full of hopes and dreams Will is about triumph in the midst of tragedy love lost purpose found the strongest of families torn apart then re created in the most unlikely place In a world hobbled with epidemic homelessness Will portrays streeties not as shameful failures but as gifted individuals who deserve another chance Will contrasts the victims and the victors the hopeless and the hopeful challenging us to not only think about our own destiny but to resolve it And the finale you won't see it coming Mathematical Foundations of Programming Semantics
