Biography of Dr. Percy Lavon Julian (1899-2022): Greatest African-American Chemist of the 20th Century

William Shurtleff; Akiko Aoyagi, 2022-08-21 For the best story enactment of the life of Dr Percy Lavon Julian the greatest African American chemist of the 20th century google PBS NOVA Forgotten Genius YouTube The present book is a good bibliography and sourcebook with 48 photographs and illustrations many in color *Julian Assange: The Unauthorised Autobiography* Julian Assange, 2011-09-22 In December 2010 Julian Assange signed a contract with Canongate Books to write a book part memoir part manifesto for publication the following year At the time Julian said I hope this book will become one of the unifying documents of our generation In this highly personal work I explain our global struggle to force a new relationship between the people and their governments In the end the work was to prove too personal Despite sitting for more than fifty hours of taped interviews discussing his life and the work of WikiLeaks with the writer he had enlisted to help him Julian became increasingly troubled by the thought of publishing an autobiography After reading the first draft of the book at the end of March Julian declared All memoir is prostitution In June 2011 with thirty eight publishing houses around the world committed to releasing the book Julian told us he wanted to cancel his contract We disagree with Julian s assessment of the book We believe it explains both the man and his work underlining his commitment to the truth Julian always claimed the book was well written we agree and this also encouraged us to make the book available to readers And the contract By the time Julian wanted to cancel the deal he had already used the advance money to settle his legal bills So the contract still stands We have decided to honour it and to publish This book is the unauthorised first draft It is passionate provocative and opinionated like its author It fulfils the promise of the original proposal and we are proud to publish it Canongate Books September 2011
