

My Daughter,

Don't get discouraged, My beloved; pain is a part of life. But I promise you that I will turn every tear you've ever cried into joy, and I will use your deep pain for a divine purpose. Don't try to hide your hurts from Me. I know everything about you. You are Mine, My Beloved!! I'm the only one who can handle your heart and restore you to health and wholeness again. I, too, have felt great pain, rejection, and anger. But we can go through every trial together. Hand in hand I will lead you back to My place of peace and joy after the storm. The sun will shine on you again, and your heart will be healed. I promise you, My Princess, that when you go through deep waters of great trouble, I will be with you. When you go through rivers of difficulty you will not drown. When you walk through the fire of oppression you will not be burned.

Love,
Your King and your Healer

Ellison II, 2020-10-13 Howard Thurman was famously known as one of the towering giants of American religion in the twentieth century His writings have influenced some of the most important religious and political figures of the last century from Martin Luther King to Barack Obama Theologians such as James Cone and Cornel West regularly signal their indebtedness to him He was a mystic a preacher an educator a theologian and much more It is impossible to understand the African American church today without an appreciation for his contributions And yet while Thurman s name is often recognized his seminal ideas have not received the attention they deserve In this volume internationally known leaders like Marian Wright Edelman Parker Palmer and Barbara Brown Taylor invite the reader into creative engagement with Thurman

s writings Anchored in the Current illuminates how Thurman s life and wisdom lead these influential names on the ancient quest to connect with the Ultimate all while discovering the contemporary need to seek racial justice and sharpening the minds and faith of those who come after us Readers will find important and enduring answers in the works of this indispensable prophet and teacher

Bay State Road Robert Allan Hill, 2025-09-11 Bay State Road is a collection of sermons offered during the twenty years of Robert Allan Hill's deanship at Boston University's Marsh Chapel. Some sermons reflect on milestones such as the first time Hill preached at Marsh Chapel as its dean, his 2023 university baccalaureate address, and a remembrance of the grief following the 2013 bombing of the Boston Marathon. But most were preached on regular Sundays whose very ordinariness is the canvas on which the extraordinary is made visible. This volume contributes to the 2025 celebration of Marsh Chapel's seventy-fifth anniversary, which honors the chapel's historic legacy while readying the chapel for the seventy-five years ahead.

Theology—Descent into the Vicious Circles of Death Zoran Grozdanov, 2016-12-15 In this succinct, inviting volume, four Balkan theologians probe their contextual ways with the theology of Jürgen Moltmann, whose classic *The Crucified God* influenced novel theological approaches around the globe. Most recently, the emerging postwar Christian theology in the Balkans. The authors engage with the prevailing culture of ethnic and religious exclusivism within their context and present

us with a range of theologically pertinent issues resulting from a wider discussion on religion and politics The book offers a fresh and provocative reading of Christian faith that pins its hopes on the person and work of the Crucified and sets the ground for possible contextual contribution of Balkan theology to a World Church Following Moltmann's invitation to see the Cross and the crucified Christ as an inner criterion of all theology this book sheds theological light on the situation in the Balkans The Cross of that region can be described as a Cross of the crossroads since different religions ethnic and national communities memories and cultures have always been sources of profound contact but also of deep division and violence On the occasion of the fortieth anniversary of The Crucified God this collection can be read as a continuation of Moltmann's theological project which calls for a courageous descent into circles of death places of spiritual and physical imprisonment without false comforts and premature hopes Friends Journal ,1994 **Watchman Prayer** Dutch Sheets,2008-10-01 WANTED mothers fathers laypeople and leaders to serve as watchmen sentinels who stand watch on behalf of our families our churches and our nation After reading Watchman Prayer readers who accept this assignment will be equipped to discern the direction of the Lord and the plans of the enemy They will learn how with the Holy Spirit's leading anyone can pray a perimeter of protection around their loved ones their city and the church and then unravel the schemes of the devil with strategic prayer Join with Dutch Sheets and a host of others to take on this critical role and play a key part in the church's ultimate victory Everyone must be on the alert Read Watchman Prayer and learn everything you need to know about this sacred calling a calling God is sending out to all of His people **Regret-Free Living** Stephen Arterburn,John Shore,2009-10-01 Steve Arterburn bestselling author and host of New Life Live shares his regrets and how he learned to live beyond them and allow God to use them With grace and transparency Arterburn shows why people get stuck in regret how it impacts every relationship they enter into and the steps to emotional and spiritual freedom More importantly he offers a clear proven decision making process that empowers readers to make the best decisions for their lives decisions that they won't regret Just as worry results from not accepting God's full provision for the future living in regret is an inability to accept God's full provision for the past especially the mistakes Regret Free Living takes the focus off of what was and what might have been and shines a bright light onto the path of what is and what is to be
