TRUST Haroon Abbu,Paul Mugge,Gerhard Gudergan,2021-01-28 Trust The Winning Formula for Digital Leaders is intended to help you become a more successful digital leader and maybe a better person more about this at the end We know you are thinking I am not the CEO or even the Chief Digital Officer I just work in the ranks of my organization so how can this book help me Due to a set of existential threats like the global pandemic all businesses are frantically trying to remake themselves into being digital businesses Digital transformation is taking the world by storm and everyone in the organization is or will be touched by it We first studied the phenomenon of digital transformation through an extensive survey of global organizations Called the Patterns of Digitization the survey examined every aspect of how digital transformation is implemented We looked at over 500 companies business strategies resource allocation design practices and looked at their softer side like how the leaders actually communicate with employees What we learned from this is that no matter what type and size company you are you

fall into two different camps Organizations are either Digitally Developing the far majority or they are Digitally Mature Through this analysis we learned something else very important Digitally Mature organizations are managed differently Their leaders align human financial resources with the strategy create a collaborative and nimble development environment promote open transparent communication and initiate other important activities At the 2020 IEEE International Conference on Engineering Technology and Innovation we presented Digital Leadership Character and Competency differentiates Digitally Mature Organizations Leaders Through it we show how the character and competency of these leaders the foundations of trust help set them and their organizations apart Our intention was not to laud Digitally Mature leaders as it was to help lagging companies grasp what is truly involved in implementing a digital transformation and what they need to do to catch up This has been our *modus operandi* from the beginning But just exhorting digital leaders to show more character and demonstrate their competency with digital technologies is still not enough To really help them read you we needed to go deeper The jewel of this book is its in depth interviews with proven successful digital leaders And we didn't stop with just exploring their character and competency we asked them how specifically they build trust through their intentions integrity capabilities and results Of course these are the four core values of Stephen M R Covey's Speed of Trust framework and the basis of the book's 20 question Interview Guide Now enjoy the book and see for yourselves how these leaders rely on these very humancentric actions along with the trust and respect of their people to lead very aggressive and very complex digital transformations From the Inside Flap Endorsed by Stephen M R Covey The New York Times and 1 Wall Street Journal bestselling author of The Speed of Trust The One Thing that Changes Everything Foreword by Gerald C Kane Author of The Technology Fallacy How People are The Real Key to Digital Transformation Digital Leaders Included in the Book Authors take a deep dive into the actions of successful digital leaders They built an extensive interview guide based on Stephen M R Covey's now famous Speed of Trust model and conducted 1 1 interviews with the following global digital leaders Chuck Sykes CEO Sykes Enterprises Andera Gadeib CEO Dialego Larry Blue CEO Bell Howell Robert Kallenberg Director of Strategy and Organization Porsche AG Brandon Batten Owner Operator Flying Farmer LLC Marc Schlichtner Principal Key Expert Product Portfolio Innovation Management Siemens Healthineers Seth Kaufman President CEO Moët Hennessy North America Deborah Leff former Global Leader and Industry CTO of Data Science and AI IBM Krishna Cheriath VP Head of Digital Data and Analytics Zoetis Inc Dominik Schlicht CEO Talbot New Energy AG Craig Melrose Executive Vice President Digital Transformation Solutions PTC Dagmar Wirtz CEO 3WIN and Rahul C Basole Managing Director and Global Lead for Visual Data Science Accenture AI Visit patternsofdigitization.com From the Back Cover The passion of these authors and their commitment to meaningful research is abundant in this compelling read They have studied what separates digitally mature companies from the many companies that lag behind and conclude that the ability of their leaders to personally develop and enable trusting relationships is indeed the difference maker Using the Speed of Trust framework as a guide the

authors conducted direct interviews with digital leaders and show how their integrity intent capabilities and results significantly impact performance across a broad range of transformation goals The insights and lessons learned from these interviews will be invaluable to digital leaders The pace of change in the digital world makes it easy to get caught up in the moving target of technology details e g cloud computing artificial intelligence etc and lose sight of the ever more important human centric dimension of building trust Stephen M R Covey The New York Times and 1 Wall Street Journal bestselling author of The Speed of Trust The One Thing that Changes Everything The book is about and for digital leaders the people in charge of changing the course of their organizations Authors bring it all together with interview chapters from thirteen digital leaders on how they build trust Excerpt from the foreword to this book by Gerald Kane This book is a gem The winning formula developed using interviews with digital leaders from a multitude of industries provides a practical guide to transform any company into a mature digital businesses Robert Kallenberg Head of Strategy Porsche AG The authors have articulated the leadership challenge of the digital era The ability to digitally transform businesses by cultivating trust This is a must read for all aspiring digital leaders Chuck Sykes CEO Sykes International Trust is the critical difference maker in impactful leadership The authors have clearly identified and elevated this philosophy It s a great read not only for all business leaders but for every employee in your organization Seth Kaufman CEO Mo t Hennessy North America
