## **Mia A Hero S Return:**

MIA Frank Pisani,2014-12-03 After four decades of being listed missing in action Sergeant Harry Archer of the United States Army escapes his Vietnamese captors Armed with the knowledge of a classified top secret agreement made between former United States President Richardson and Vietnam s former leader he heads for Washington D C with a burning vengeance in his heart The agreement enabled Vietnam to retain specially selected American POWs who possessed skills valuable to rebuilding that country These hand picked men were reclassified as missing in action and designated to remain in Vietnam for the rest of their lives against their will It would be considered restitution for damage inflicted by America in return for the peace with honor the president wanted so desperately When the Vietnamese government informs the current President of the United States of Harry s escape he sends the CIA s top assassins to eliminate him before the secret is exposed Within hours Sergeant Archer finds himself leading a cloak and dagger life running a gauntlet of uncertainties and mistrust while being pursued by trained killers every step of the way They are determined to assassinate him and keep the U S government s heinous act of so many years ago hidden from the public *Astro City Metrobook Vol. 1* Kurt Busiek,2022-03-30 A hero dreams of flight An alien spy prepares for invasion A young man is mentored by a hero with dark secrets A street criminal discovers a hero s identity And much much more Step into a world of heroes and see them from a whole different perspective These are the multiple award winning stories that began the epic series and changed how we think about superheroes Collects KURT BUSIEK S ASTRO CITY VOL 1 1 6 VOL 2 1 12 \_ *Dreaming Identities* Elizabeth G. Traube,2019-03-04 In this book Elizabeth Traube argues that over the course of the 1980s Hollywood participated in a wider move by mainstream political and social forces that attempted to absorb and contain critical cultural currents by rehabilitating images of masculine authority At the movies we saw parallel constructions of wild antibureaucratic warrior heroes and smooth seemingly rebellious tricksters adapted to the corporate order We saw the demonization of the independent woman and the complementary formation of the nurturing father as her adversary The author relates these representations to two cultural narratives of long duration the American frontier myth and the myth of success or the American dream both of which also figured prominently in the rhetorical themes of Reagan era politics Utilizing structuralism Marxism feminist object relations psychoanalysis and neoformalist film criticism Traube emphasizes specific aspects of cinematic representations of gender and authority to explore the relationships between culture and politics Unlike other feminist critics of patriarchal Hollywood she stresses the multiple competing versions of masculinity and femininity constructed in Hollywood movies and the different class positions of their primary intended audiences Attention to particular forms that cultural narratives assume in changing circumstances gives Traube s film analyses a unique sociohistorical dimension while her focus on narratives used by political elites as well as by moviemakers reveals significant variations in ideology production in different sites **The Mexican Corrido** María Herrera-Sobek,1990 well written and well

documented landmark study *Choice* This book raises important ideological and esthetic questions about the interpretation of artistic and cultural manifestations in a given society *Hispanic American Historical Review* The present volume is provocative in direction and a refreshing addition to the extant literature on the Mexican corrido genre *American Ethnologist* Herrera Sobek's refreshing approach to analyzing masculine attitudes toward the feminine as expressed in the Mexican corrido is not only insightful but courageous Inez Cardozo Freeman *Southern Folklore* well researched insightful clearly written and well illustrated study of a genre familiar in Hispanic culture *Journal of the American Studies Association* provides tantalizing insights into the inner workings and meanings of Mexico's favorite folk ballads *Journal of Third World Studies* Challenging the stereotypical view of the passive Mexican Chicana woman of the archetype the author examines the portrayal of female figures in over three thousand corridos or Mexican ballads and shows that in spite of long dominant patriarchal ideology the corridos reveal the presence of self-confident women throughout Mexican history Included are a discography a detailed bibliography of corrido collections and several photographs of soldaderas from the internationally famous Augustin Casasola collection

*Mi'kmaq Landscapes* Anne-Christine Hornborg, 2016-07-22 This book seeks to explore historical changes in the lifeworld of the Mi'kmaq Indians of Eastern Canada The Mi'kmaq culture hero Kluskap serves as a key persona in discussing issues such as traditions changing conceptions of land and human environmental relations In order not to depict Mi'kmaq culture as timeless two important periods in its history are examined Within the first period between 1850 and 1930 Hornborg explores historical evidence of the ontology epistemology and ethics jointly labelled animism that stem from a premodern Mi'kmaq hunting subsistence New ways of discussing animism and shamanism are here richly exemplified The second study situates the culture hero in the modern world of the 1990s when allusions to Mi'kmaq tradition and to Kluskap played an important role in the struggle against a planned superquarry on Cape Breton This study discusses the eco-cosmology that has been formulated by modern reserve inhabitants which could be labelled a sacred ecology Focusing on how the Mi'kmaq are rebuilding their traditions and environmental relations in interaction with modern society Hornborg illustrates how environmental groups pan-Indianism and education play an important role but so does reserve life By anchoring their engagement in reserve life the Mi'kmaq traditionalists have to a large extent been able to confront both external and internal doubts about their authenticity

**Reassessing the Transnational Turn** Constance Bantman, Bert Altena, 2014-12-05 This edited volume reassesses the ongoing transnational turn in anarchist and syndicalist studies a field where the interest in cross border connections has generated much innovative literature in the last decade It presents and extends up to date research into several dynamic historiographic fields and especially the history of the anarchist and syndicalist movements and the notions of transnational militancy and informal political networks Whilst restating the relevance of transnational approaches especially in connection with the concepts of personal networks and mediators the book underlines the importance of other scales of analysis in capturing the complexities of anarchist militancy due to both

their centrality as a theme of reflection for militants and their role as a level of organization Especially crucial is the national level which is often overlooked due to the internationalism which was so central to anarchist ideology And yet as several chapters highlight anarchist discourses on the nation as opposed to the state patriotism and even race were more nuanced than is usually assumed The local and individual levels are also shown to be essential in anarchist militancy Reincarnated as a Dragon Hatchling (Light Novel) Vol. 7 Nekoko,NAJI Yanagida,2024-07-04 As Illusia continues his quest he finds himself on a strange new island at the end of the world But this isn't just any island it's full of A rank and even L rank monsters no one has ever seen before What's more the ruins are covered in English and hiragana characters from the old world His curiosity piqued Illusia ventures deeper into the ruins determined to uncover its secrets and stumbles upon the legendary dragon king Diabolos But does Illusia's Dragon King's Son skill mean that Diabolos is his dad **The Heroic Female** Stephanie Laggini Fiore,2020-05-15 The Heroic Female Redefining the Role of the Heroine in the Tragedies of Vittorio Alfieri fills a void in critical inquiry on the works of eighteenth century tragedian Vittorio Alfieri perhaps the most important figure of the Italian Enlightenment by exploring in depth the often neglected female characters and their function within the tragic structure In this re-reading of the Alfierian tragedies the author redefines the role of the heroine and challenges traditional analyses that marginalize the female character and orient her to an abstract ideal characterized by fragility and tragic victimization The author argues persuasively that in Alfieri's search for psychological realism he undermines traditional assumptions of gender roles by his modern portrayal of the tragic characters The heroine's different orientation towards reality endows her with intuitive and intelligent reasoning that contradicts eighteenth century views of women as catalysts of anarchy and disorder Alfieri's tragic heroines are represented also as surprisingly independent and powerful The resultant image of determined active and intelligent women refutes the traditional critical view In exploring Vittorio Alfieri's pre-modern sensibilities in the representation of his tragic heroines this book is an important contribution to the growing body of critical works that study the representation of gender in post-Renaissance and pre-modern Italian literature This book will be of particular interest to scholars of Italian literature especially the Enlightenment and Romantic periods scholars of 18th century European American and other literatures scholars of 18th century history and sociology and Women's Studies and Gender Studies scholars **The Concept of Structuralism** Philip Pettit,1977-01-01 **Writing Fiction: a Hands-On Guide for Teens** Heather Wright,2010-08-20 How do I begin my novel How do I write convincing dialogue Where can I get an idea for a story How do I keep motivated If you're a young writer answers to these questions and more can be found in Writing Fiction A Hands On Guide for Teens Written by a writer for writers this book was created just for you by someone who believes in young writers and who also likes to have some fun along the way Here's a sample of what you'll find inside Stuck for a Story Idea Who What Where When Who Your Characters What Your Plot Where and When Your Setting Ways to Start a Story with Character Action or Setting Writing Description That Even You Will Want to Read Connecting With Other
