Triumph is the story of my journey through the fire service and has been a dream of mine since I was promoted to the rank of fire lieutenant in 1974 Writing this story and reliving many events was painful such as the blatant racism and disrespect experienced on duty the day Dr Martin Luther King was assassinated in Memphis Tennessee and when the firefighters union expelled all the black firefighters from membership when they refused to disband their association as members of the Black Firefighters association and Scrotum on the head the worst scandal in the Miami Fire Department s history are a few of the most important stories revealed in my book But this story is not just about pain it is also about the joy of triumphing over the obstacles and barriers that were endemic for trailblazing black firefighters from the mid 1960 s and beyond      Yachting ,1987-10      Cruising World ,1987-01      **Fundamental Accounting Principles** William W.
