

Of Mice and Men Double Entry Journal

Directions: For each chapter, you will create a double entry notes sheet. You will divide your paper into two columns:

- In the left-hand column, copy a passage directly from the novel that relates to one of the following themes:

American Dream Powerful vs. Powerless	Friendship vs. Isolation Being an Outsider	Idealism vs. Realism Right vs. Wrong
--	---	---
- In the right - hand column, react to each passage, and explain how it develops the topic. Relate each topic into a possible theme for the novel. Ask yourself "What is so significant about this passage/topic?" So what? What message is Steinbeck sending about this topic?" The answers to these questions will help form your explanation.

You will write two passages and two explanations for each chapter and will have 12 total entries at the end of novel.

Example: Chapter 1

Text from Novel (cite in MLA)	Explanation/Development of Theme
American Dream "Someday - we're gonna get the jack together and we're gonna have a little house and a couple of acres an' a cow and some pigs and -" 'An' live off the fatta the lan', ' Lennie shouted. 'An' have rabbits. Go on, George. Tell about what we're gonna have in the cages and about the rain in the winter and the stove..." (Steinbeck 14)	Lennie's dream gives him a glimpse of a better world. He dreams of escaping from his unstable and lonely life as a migrant farm worker and buying a farm of his own with George. Lennie's dream may be idealistic, but his ability to escape into dreams about a better world helps him to maintain hope during difficult times.
Friendship v. Isolation "...if I was alone I could live so easy. I could go get a job an' work, an' no trouble. No mess at all, and when the end of the month come I could take my fifty bucks and go into town and get whatever I want" (Steinbeck, 11)	In this passage George is talking about what life would be like without Lennie. He is saying that his life would be a lot easier if he didn't have to help Lennie out, because he could just be on his own. Steinbeck seems to be sending a message that is better to be isolated than to be tied down to a friend. However, later in the chapter, George apologizes for saying that, so maybe Steinbeck is saying that even though friends can be a burden sometimes, it is best to have somebody by your side.
