friends all people who go to Borah High with Airel Airel used to be one of them trapped in the uncomplaining backdrop But there s something different about Airel Cross now and people like Greye are beginning to notice It s undeniable like a clouded sunrise and it s no use concealing the inevitable These four girls Greye and Nika Anna and Sydney each have a story to tell They are The Vincibles and their time is short For Greye the end comes first *Season 1: The Vincibles: Episode 3: Sydney* Aaron Patterson,Chris White,2015-08-18 vincible a capable of being overcome or subdued conquered Episode Three Sydney Every story contains faces on the fringes Those on the outside looking in Observers who seem to have no power or influence They re just along for the ride Or are they They re people like Sydney A castaway loner at 14 a girl nobody ever wanted Sydney keeps a go bag her runaway kit under her bed She spends her life in support of others because she s too scared that if she takes any kind of responsibility she ll screw things up After all that s how her birth father raised her Sydney s sisters Greye and Nika are both missing The police are asking questions and her answers aren t satisfactory Sydney can sense time is running short that she s stuck between the cops Miss Ivy her terrible foster mom and this nameless evil that seems to be picking off her sisters one by one In the end Sydney is going to have to make a choice she never wanted to make If she runs will she get anywhere or will she only be making things worse Most important will the sale of her soul be worth whatever pittance she gets in return Will the fulfillment of a dream look more like a nightmare Sydney s world might just collide into another she never imagined could be true Season 1: The Vincibles: Episode 2: Nika Aaron Patterson,Chris White,2015-08-31 vincible a capable of being overcome or subdued conquered Episode Two Nika Every story contains faces on the fringes Those on the outside looking in Observers who seem to have no power or influence They re just along for the ride Or are they They re people like Nika A kid stuck in the system just like her three foster sisters Nika suffers from a scandalized heart one that saw too much too soon She found a reasonable compensation at least for a time in the fantasy that she was a queen in search of her true realm Nika s sister Greye always had an unhealthy bent for sticking her nose where it didn t belong Now Nika can finally see what it s costing her The question is will it cost them all And if Nika is the good queen she imagines herself to be how will she lead now that real life has become so threatening The blood of her murdered father does indeed cry out from the ground She will be dragged kicking and screaming to the choice she never wanted to have to make fantasy or reality The one is deceptively delicious the other seems to be too difficult to bear Will she choose to nurse the fantasy or will she have the strength it takes to stay in the real world and fight for those she loves even if she knows she can never win For Nika the end might look nothing like the fairy tale she was hoping for **Season 1: The Vincibles: Episode 4: Anna** Aaron Patterson,Chris White, vincible a capable of being overcome or subdued conquered Episode Four Anna Every story contains faces on the fringes Those on the outside looking in Observers who seem to have no power or influence They re just along for the ride Or are they They re people like Anna She lost the gift of her sight at age ten when her life took a turn for the worse in the direction of her wicked foster mom Miss Ivy That was four years ago Still it

was all pretty much bearable because of her sisters Greye Nika and Sydney But now all three of them are gone So what about Anna She knows Greye would dig into the headlines and make the necessary deductions Nika would take the lead and get them moving in a direction by hook or by crook And Sydney would add that all important fifth element by encouraging and supporting every one of them But what can Anna do She s just a girl at the mercy of her antagonists because of her blindness It is a crippling liability Or is it Anna s world is about to change forever When there are no heroes left those to whom the sword falls become the most unlikely candidates in the war for all that is good Will Anna be more than what she s ever known Will she be invincible
