The Burning Room Michael Connelly, 2014-11-03 In this 1 New York Times bestseller Detective Harry Bosch and his rookie partner investigate a cold case that gets very hot very fast In the LAPD's Open Unsolved Unit not many murder victims die a decade after the crime So when a man succumbs to complications from being shot by a stray bullet ten years earlier Bosch catches a case in which the body is still fresh but any other clues are virtually nonexistent Even a veteran cop would find this one tough going but Bosch's new partner Detective Lucia Soto has no homicide experience A young star in the department Soto has been assigned to Bosch so that he can pass on to her his hard won expertise Now Bosch and Soto are tasked with solving a murder that turns out to be highly charged and politically sensitive Beginning with the bullet that has been lodged for years in the victim's spine they must pull new leads from years old evidence and these soon reveal that the shooting was anything but random As their investigation picks up speed it leads to another unsolved case with even greater stakes the deaths of several children in a fire that occurred twenty years ago But when their work starts to threaten careers and lives Bosch and Soto must decide whether it is worth risking everything to find the truth or if it's safer to let some secrets stay buried In a swiftly moving novel as relentless and compelling as its hero Michael Connelly shows once again why Harry Bosch is one of the most popular and enduring figures in American crime fiction

Chicago Tribune **The Triumph of the Thriller** Patrick Anderson, 2007-02-06 There's been a revolution in American popular fiction The writers who dominated the bestseller lists a generation ago with blockbuster novels about movie stars and exotic foreign lands have been replaced by a new generation writing a new kind of bestseller one that hooks readers with crime suspense and ever increasing violence

Patrick Anderson The Washington Post's man on the thriller beat calls this revolution the triumph of the thriller and lists among its stars Thomas Harris Michael Connelly George Pelecanos Dennis Lehane Sue Grafton and Elmore Leonard In his provocative caustic and often hilarious survey of today's popular fiction Anderson shows us who the best thriller writers are and the worst He shows how Michael Connelly was inspired by Raymond Chandler how George Pelecanos toiled in obscurity while he mastered his craft how Sue Grafton created the first great woman private eye and how Thomas Harris transformed an insane cannibal into the charming man of the world who made FBI agent Clarice Starling his lover Anderson shows Scott Turow inventing the modern legal thriller and John Grisham translating it into a stunning series of bestsellers He casts a cold eye on Tom Clancy's militaristic techno thrillers and praises Alan Furst and Robert Littell as world class spy novelists He examines the pioneering role of Lawrence Sanders the offbeat appeal of Dean Koontz the unprecedented success of The Da Vinci Code and the emergence of the literary thriller Most of all Anderson demands that the best of these novelists be given their due not as genre writers but as some of the most talented men and women at work in American fiction Don't trust the literary elites to tell you what to read he warns make up your own minds The Triumph of the Thriller will convince many readers that we've entered an important new era in popular fiction This book can be your guide to it
