Fie, 2016-09-16 Ebook International Economics *EBOOK: Macroeconomics* Rudiger Dornbusch, Stanley Fischer, Richard
Startz, 2014-02-16 Dornbusch Fischer and Startz has been a long standing leading intermediate macroeconomic theory text
since its introduction in 1978 This revision retains most of the text s traditional features including a middle of the road
approach and very current research while updating and simplifying the exposition A balanced approach explains both the
potential and limitations of economic policy Macroeconomics employs a model based approach to macroeconomic analysis
and demonstrates how various models are connected with the goal of giving students the capacity to analyze current
economic issues in the context of an economic frame of reference The only pre requisite continues to be principles of
economics **EBOOK: Essentials of Economics, 10/e** SCHILLER, 2016-03-22 EBOOK Essentials of Economics 10 e

Economics David A. Dieterle, 2017-03-27 A comprehensive four volume resource that explains more than 800 topics
within the foundations of economics macroeconomics microeconomics and global economics all presented in an easy to read
format As the global economy becomes increasingly complex interconnected and therefore relevant to each individual in
every country it becomes more important to be economically literate to gain an understanding of how things work beyond the
microcosm of the economic needs of a single individual or family unit This expansive reference set serves to establish basic
economic literacy of students and researchers providing more than 800 objective and factually driven entries on all the major
themes and topics in economics Written by leading scholars and practitioners the set provides readers with a framework for
understanding economics as mentioned and debated in the public forum and media Each of the volumes includes coverage of
important events throughout economic history biographies of the major economists who have shaped the world of economics
