Event Sponsorship and Fundraising Tom Lunt, Eva Nicotra, 2018-11-03. Securing sponsorship and other sources of funding for events is becoming increasingly competitive, making differentiation and delivery vital. *Event Sponsorship and Fundraising* explores this complex area of event management, drawing on both experiential marketing and consumer behaviour theories and developing critical insights on the dynamics of successful event sponsorship. Its coverage includes professional guidance on prospecting for sponsors, brand activation and evaluation, as well as advice on relationship management, proposal writing and pitching to potential sponsors. *Event Sponsorship and Fundraising* places each of these concepts at the heart of the Integrated Marketing Communications Mix, alongside cutting-edge literature on the topic. Written by two highly experienced industry practitioners, both of which now teach on two of the UK's leading event management degree courses and supported by a comprehensive set of online resources, this book is an invaluable go-to resource for event management students, tutors and professionals alike.

The Economics of Motorsports Paulo Mourão, 2017-05-29. This book, the first study of its kind, examines the economics behind motorsports, in particular Formula One. Chapters discuss the costs involved in Formula racing and how they are borne by teams, promoters and racers. The book also looks at how society, the public and the private sectors stand to benefit economically from the motorsport industry. Other issues like the economics of TV rights, sponsorship and sustainability are also addressed, again for the first time in an economics book. Moving beyond the economics of what happens off the track, the book also undertakes a serious examination of what goes in to making a winning team and what having a winning racer can do for a team's fortunes. Mourão's highly relevant and contemporary book also looks at how motorsport teams confront the challenges of the modern sporting world, including the changing dynamics of sports media and considers the future of Formula 1 as motorsports evolve.

Sponsorship A Professional's Guide offers long overdue advice on every aspect of the tough and often daunting task of seeking sports sponsorship. Written by one of international sports' most experienced and successful sponsorship sales exponents, the book is intended for sponsorship seekers at all levels from grass roots sport up to the highest echelons of professional sports organizations. Brian Sims has been involved in motor sports from Formula Ford through to Formula 1, been the marketing director of two Formula 1 teams and been involved in US Indycar Racing with Lola and brought companies such as FedEx, Marconi and Gillette into Formula One when marketing director of the Benetton F1 Team. Brian is now on the Advisory Board of Oxford Brookes University, a Guest Lecturer for the World Academy of Sport and is also working with a talented young British racing driver competing in the 2013 European F3 Championship. The advice and guidance contained in Sports Sponsorship is relevant to many professional sports and has several case studies illustrating how to identify, present and win support from potential partners; it is a must read for individuals, teams or organizations seeking to secure sponsorship in an ever-competitive world.

Sponsorship in Marketing T. Bettina Cornwell, 2014-07-17

Sponsorship of sports, arts or events can be a powerful form of marketing communication for businesses and organizations. This book introduces the fundamentals of sponsorship-linked marketing, helping the reader to understand how sponsorship can be planned, executed and measured. Drawing on original research and exploring key theory, best practice and cutting-edge issues, this is also the only book to fully explain how the sponsor can implement successful sponsorship campaigns and achieve their communication objectives. The book covers every important conceptual and functional area of sponsorship in marketing communications, including audiences, strategies and objectives, leveraging and activation, building sponsorship portfolios, measurement and evaluation, ambush marketing, managing relationships, internal audiences, public policy and legal issues. Every chapter includes case studies, examples and data from real organizations, business campaigns and events, vividly illustrating the link between fundamental principles and effective practice. No other book provides such a comprehensive, evidence-based introduction to sponsorship, demonstrating how organizations can connect brands to real life. This is essential reading for all students and practitioners working in sport, marketing, sport business, events, marketing, arts, administration, business communication or marketing management.

The Geopolitical Economy of Sport Simon Chadwick, Paul Widdop, Michael M. Goldman, 2023-06-06

This is the first book to define and explore the geopolitical economy of sport, the intersection of power, politics, money and state interests that both exploits and shapes elite sport around the world. Russia's invasion of Ukraine, the global response and the consequent ramifications for sport have put the geopolitical economy of sport front and centre in both public debate and academic thinking. Similarly, the Winter Olympics in Beijing and the FIFA World Cup in Qatar illustrate the political, economic and geographic imperatives that shape modern sport. This book brings together studies from around the world to describe this new geopolitical economy of sport, from the way in which countries use natural resource revenues, accusations of sport washing and the deployment of sport for soft power purposes to the way

in which sport has become a focus for industrial development This book looks at the geopolitical economy of sport across the globe from the Gulf States interests in European soccer to Israel seeking to build a national competitive advantage by positioning itself as a global sports tech start up hub and the United States continuing to extend its economic and cultural influence through geopolitical sport activities in Africa Latin America and the Indian subcontinent This book captures a pivotal moment in the history of sport and sport business This is essential reading for any student researcher practitioner or policymaker with an interest in sport business the politics of sport geopolitics soft power diplomacy international relations or international political economy
