Miller,2008-04-29 He was big the biggest of the litter big enough to wrestle bears and he did two maybe more but he killed many When he woke up in that black inky night he couldn t see thought he was blind and had a massive hangover from his Daddy s Cherry Jump moonshine A buzzard had died in his mouth and with it came rotten dog breath A headache like someone had hit him with a pole axe made him feel like he was dead dead as four o clock And did he smell Wow His torn bib overalls were soaked in sour mash Other than not knowing where he was he still thought he was alright and that too was a problem Was there any hope or any salvation Luckily he had been weather hardened by war He stood up and he tired to walk but ran into something It knocked him down When he fell he heard something rattle It was a trace chain attached to a leather dog collar around his neck But in the inky dark he couldn t see his hand in front of him He got up again and found the trace chain wrapped around a tree and locked Shocked he screamed out Goddamn I m chained to a tree then screamed louder They have chained me to a tree like a wild cur dog Now mad as hornet with his stinger busted he felt around and found something else about the tree This time he screamed even louder Son of a bitch It s my goddamn tree Who in the hell would chain me to my own tree He sat back down against the family tree stunned and then realized It s got to be my family Chained me like a goddamn cur dog to a tree But which one of them would have the nerve to do this to ME Then he realized it could be only one person He stood up and screamed Mama Then he fell down again pounded the ground cried like his heart tore out He got up off the ground went into a wild man s rage then fainted with exhaustion Then he got sick tried to walk but threw up all over himself And the chain snatched him back and down into his vomit it was all over him like those bugs He pounded the ground with his fist wondering how in the world he had gotten here and where he was Again and again he got up Each time he tried to walk in another direction but the chain snatched him off his feet and back down on the ground and into his rotten vomit It didn t matter what direction he walked Finally exhausted he couldn t get back on his feet Still he kept asking himself Where in the hell am I and who in the hell put this collar on me All night he shouted and wallowed in his vomit like an itchy old fat hog taking a bath in new mud He heard no one come in the dark silent black night Thank God His vomit smell finally ran the goddamn bugs off his body and away

**Why believe in Bible Prophecy?** Larry Squyres, 2020-10-13 Have you ever attended an end times study or lecture and leave out having more questions than answers Have you read parts of Daniel and Revelation and are totally clueless as to what it all means I was once that person above However after attending a lecture several years ago we were told repeatedly that we were to search deeper not only in the Bible but events in past history as well as today s events to find the truth I m sure we can all agree that we are living in end times but where are we at when did it start are just some of the questions asked I took each of the sections of the lecture and really started studying not only what he had talked about but looked further and deeper What I have in this book explains the kingdoms and time lines with Old and New Testament prophecy Both fulfilled and yet to happen I looked back at the early church to see how they believed The Catholic Church to see what was changed and why and at what Protestants differed in their beliefs Did you know that the baptism of Jesus was prophesied in Daniel and it happened right on time There are many clues as to who and what the antichrist is and it leaves no question Even the early Protestant ministers knew what a lot of churches today have forgotten So dive in and read the information that I have researched and written about to help you understand and believe And don t just believe me search for the truth yourself

MIMPRISS, 1870 **Jesus on the Mountain: A Study in Matthew** Terence Donaldson, 1987-03-01 Donaldson s book on Jesus on the Mountain assesses the use of the mountain motif in the Gospel of Matthew and argues for its significance in a myriad of ways both as a literary device and a theological symbol He argues that the order of the book may even have been subverted in order that the literary device of the book ending of the mount of temptation and commission may be prominent and bear impact Donaldson s argument is a fascinating and insightful comment on the narrative of Matthew and the use of literary device to complement theological symbol by the author *God S Plan of Creation* Robert N. Smith, 2014-11-15 Gods Plan of Creation Written for All Gods Children Who Want to Know and Are Not Afraid to Think offers scripturally informed answers to questions arising in peoples minds as they wonder about the nature of God and His designs for all of creation By using a three part structure that examines the Siege the Legacy and the Story Robert N Smith brings to bear both his long

study of the Scriptures and his insights to provide guidance for all who want to know and are not afraid to think The first part the Siege presents an inquiry and review of humanity's continuing efforts to gain hold of its Legacy The focus of the second portion of God's Plan of Creation the Legacy entails the gifts that God has chosen to give to humanity and that people today have received from the hands of their forebears in the faith Finally the Story displays a visual timeline of creation plotting out key points of theology and cosmology It is laid out landscape therefore it does not fit the book format Part 3 is in progress and will follow soon If you see the world in all its beauty complexity and diversity and you find yourself wondering about the God who made all things and about His desires for how humanity fits into His plans then God's Plan of Creation Written for All God's Children Who Want to Know and Are Not Afraid to Think will pour out insights worth pondering It takes a fearless and eyes wide open look at God and His plans and invites you to join in a journey of vision and discovery **Satan's Super**

**Soldiers** Barry Blackstone, 2024-04-30 Barry Blackstone has been fascinated with the biblical reference to giants since childhood but only began looking deeper into the subject when he was challenged by a member of his congregation twenty five years ago Over those years Blackstone compiled information on all the named giants and those that slew them men well known like David Joshua and Caleb and those not so well known like Othniel Elhanan and Abishai Coming to the conclusion that this race of super humans was a product of Satan's plan to corrupt man stop the coming of the Messiah and resist the Hebrews from possessing their promised land Blackstone began to see the principles and precepts needed to combat the giants of our day in our spiritual warfare against principalities against powers against the rulers of the darkness of this world against spiritual wickedness in high places Eph 6 12 Travel with this pastor through the Bible as he reveals the origin of the giants how they survived the Flood and when they were finally wiped out in the days of David With strange names like Rephaim OG Arba Anak Sheshai and of course Goliath learn about their fabled size their formidable weapons and why they all were so easily defeated This exploration will cover some of the greatest battles described in Scripture and will uncover how to win against gigantic foes personally Each chapter is written in a devotional style that will bring a spiritual encouragement to the reader and will help them see that no matter how invincible the adversary What shall we then say to these things If God be for us who can be against us Rom 8 31 **Daemonologia Sacra, Or, A Treatise of Satan's Temptations** Richard
