Scars of a Nation Peter Muthia,2019-05-22 On December 30 2007 declaration of highly disputed presidential election results triggered widespread violence across Kenya The height of the violence was on January 1 2008 when attackers who were unleashing murderers violence on supporters of the presidential candidate who had just been declared winner

meticulously planned and torched down Kenya Assemblies of God church full of women children and old people who had sought refuge there after learning of an imminent attack on Kiambaa Village in Eldoret Kenya Seventeen people mostly women and children were burnt alive inside the church and more than eighteen other people were shot with arrows hacked with machete and killed outside the church Anthony Njoroge Mbuthia who was then ten years old survived the church fire but with very severe burns He was treated in Kenya for one year and then referred to Shriners Hospital for children in Sacramento California USA for reconstructive surgery The international community led by the UN USA and the African Union quickly intervened to stop the murderers violence that was becoming genocide and thereafter mediation efforts between the combatants gave rise to a government of national unity that incorporated all political stakeholders Investigations into the violence revealed that crimes against humanity were committed by well organized and properly financed tribal militias Several people among them two who would later become president and deputy president were indicted by the international criminal court that seats in The Hague Netherlands While Anthony was recuperating at the hospital and while he was suffering acute pain he asked Dad why did they burn the church I thought the church is a sacred place I had no simple answer Scars of a Nation is a story that gives a witness narration of what transpired during and after the violence efforts to obtain justice for Anthony and all other survivors and victims of the violence while at the same time answering Anthony s question Dad why did they burn the church which is actually the real motivation behind the writing of this book

[Play Like a Girl](#) Ellie Roscher, 2017-07-18 Growing up and living in Kibera Kenya Abdul Kassim was well aware of the disproportionate number of challenges faced by women due to the extreme gender inequalities that persist in the slums After being raised by his aunts

mother and grandmother and having a daughter himself he felt that he needed to make a difference In 2002 Abdul started a soccer team for girls called Girls Soccer in Kibera GSK with the hope of fostering a supportive community and providing emotional and mental support for the young women in the town The soccer program was a success but the looming dangers of slum life persisted and the young women continued to fall victim to the worst kinds of human atrocities Indeed it was the unyielding injustice of these conditions that led Abdul to the conclusion that soccer alone was not enough to create the necessary systemic change In 2006 after much work the Kibera Girls Soccer Academy KGSA was established with their first class of 11 girls and 2 volunteer teachers Today KGSA is composed of 20 full time staff provides a host of artistic and athletic programs for more than 130 students annually and continues to expand By providing academics inside and outside of the classroom along with artistic and athletic opportunities KGSA inspires the young women of Kibera to become advocates for change within their own communities and for Kenya as a whole Play Like a Girl tells the KGSA story through Abdul s voice and vision and the stories of key staff and students It is written by Ellie Roscher who spent 2 summers doing research at KGSA and several years writing this book **Kenya Business Directory** ,1996
