Naked With The Pollywogs A Novella:

Boomeritis Ken Wilber, 2003-09-09 Ken Wilber's latest book is a daring departure from his previous writings a highly original work of fiction that combines brilliant scholarship with tongue in cheek storytelling to present the integral approach to human development that he expounded in more conventional terms in his recent A Theory of Everything The story of a naive young grad student in computer science and his quest for meaning in a fragmented world provides the setting in which Wilber contrasts the alienated flatland of scientific materialism with the integral vision which embraces body mind soul and spirit in self culture and nature The book especially targets one of the most stubborn obstacles to realizing the integral vision a disease of egocentrism and narcissism that Wilber calls boomeritis because it seems to plague the baby boomer generation most of all Through a series of sparkling seminar lectures skillfully interwoven with the hero's misadventures in the realms of sex drugs and popular culture all of the major tenets of extreme postmodernism are criticized and exemplified including the author's having a bad case of boomeritis himself Parody intellectual slapstick and a mind twisting surprise ending unite to produce a highly entertaining summary of the work of cutting edge theorists in human development from around the world

Camps Joel D. Hirst, 2018-04-21 Charles Agwok never asked to come into the world as a poor black African on the most terrible of continents. It seems especially unfair to him that it is a matter of chance whether he will sleep in a bed, find a job, marry or die of hunger and disease. Yet although he never asked for his fate, now he must somehow find a way to survive it. As he embarks on a coming-of-age journey to find meaning within a world that only recognizes violence, Charles does his best to endure the horrifying conditions that he and the other displaced people of Odek must face every day in the sprawling camps of northern Uganda. When a desperate need to find work leads him to the city of Kampala, Charles spends the next ten years as a bitter man frustrated with the unfairness of the world. Charles has no idea he has the power within to change his fate until he is reluctantly recruited to become a soldier in the Lord's Resistance Army and must face his past as it rises up to meet him. In this powerful story, a young Ugandan on a quest to survive his unfortunate circumstances grudgingly becomes a rebel who learns that it is only he who controls the demons living within his soul. *Code of Honor* Robert Macomber, 2022-04-15 GOLD MEDAL Recipient Florida Authors and Publishers Association FAPA President's Award. On a hot June day in 1904, the Russo-Japanese War is raging in Korea, and Rear Admiral Peter Wake, forty-year veteran of naval espionage, ship combat, and guerilla wars, is in his White House office as special assistant to President Theodore Roosevelt. The Perdicaris Hostage Crisis in Morocco has diverted Wake from his critical main project: obtaining Imperial Germany's 1903 revised invasion plans against the United States. After defusing the hostage mess, Wake and his unique team head for Hamburg and St. Petersburg in grand style on a diplomatic mission. But that's merely a facade for the false flag operation to get those German plans. Even as Wake hobnobs with Kaiser Wilhelm II and Czar Nicholas II, he reconnects with contacts in the sordid world of intelligence. In a perilous evening in St. Petersburg, Wake is trapped by the dreaded Russian Okhrana into joining the Russian fleet as a neutral observer on their 18,000-mile voyage around the world to engage the vastly superior Japanese fleet, a certain death sentence. Wake's subsequent trek around Europe, Africa, and Asia leads him into the clutches of the Japanese Black Dragon Society, the cataclysmic Battle of Tsushima, which changed world history, the chaotic Trans-Siberian Railway, and the Potemkin Mutiny. In the 1905 Russian Revolution, the Portsmouth Naval Station peace talks, the 1906 Nobel Peace Prize in Norway, and many different codes of honor. **Hover** Anne A.
