

Digital Bangladesh (Paragraph)

'Digital Bangladesh' is a new but ambitious concept in the country. The present government under the bold leadership of Prime Minister Sheikh Hasina has taken the landmark step to bring a radical change in the lives of millions of people by 2021 by using sophisticated science and technology in every field. Awami League in its election manifesto mentioned that it is determined to fully implement the concept titled 'Vision 2021'. Digitalization is the process of implementing various initiatives, including e-governance, e-commerce, 100 percent literacy rate, sanitation, low mortality rate, high life expectancy, employment generation and making people skilled human resources through orientation of the use of computer as well as internet. Digital Bangladesh is a dream vision of bringing digital change in every sector. It is a process of digitalizing everything in our national life. Our lifestyle, daily activities, business transaction, communications, entertainment, studies, consultation, etc. would be made online. It is a process of sensitizing the common people to the widespread use of internet in their daily life to gear up the wheels of our overall socio-economic life. Economically rich and industrially developed countries are fully depended on digitalization process. They have made everything online. They have reduced using papers, rather are accustomed in using emails and facsimiles to accomplish their activities. Educated people have to play a vital role in discharging their duties and responsibilities. They have to work together with the government to reach its goal of building a digital Bangladesh. In Bangladesh, digitalization, if it the process is successfully implemented, would bring a horizon of ray and hope for millions of people through their active participation in various developmental activities. We would be able to fight poverty. Above all, we need to change our mindset to make it happen.

Traffic Jam

Traffic jam is a common affair in the big cities and towns. It is one of the major problems of modern time. The causes of traffic jam are many. In proportion to our population roads have not increased. The roads are all the same. There are many unlicensed vehicles which should be brought under control. The drivers are not willing to obey the traffic rules. They want to drive at their sweet will. Overtaking tendency also causes traffic jam. The number of traffic police is insufficient. At office time traffic jam is intolerable. Sometimes traffic jam is so heavy that it blocks half a kilometre. It kills our valuable time and our works are hampered. It causes great sufferings to the ambulance carrying dying patients and the fire brigade vehicles. However, this problem can be solved by adopting some measures. Well planned spacious roads should be constructed. One way movement of vehicles should be introduced. Traffic rules should be imposed strictly so that the drivers are bound to obey them. Sufficient traffic police should be posted on important points.
