## **Nation Newspaper Kenyatta University 2015 Intake:**

**Negotiating Identities in Contemporary Africa** Toyin Falola, Emmanuel M. Mbah, 2023-08-29 *Negotiating Identities in Contemporary Africa* Gender Religion and Ethno cultural Identities explores the changing dynamics of identities in Africa with a focus on gender ethno cultural and religious identity Toyin Falola and Emmanuel M Mbah argue that because identity defines who we are as individuals or groups studies on African identities must focus on understanding the changing dynamics in the socio economic and political spheres in the continent These chapters cover subjects such as women s career identity gender roles and knowledge childlessness ethnocentrism and democracy cultural identity through theater Black identity in the diaspora and diasporic consciousness Using existing scholarship the chapters in this edited volume challenge our understanding of what identity entails and provide new discussions on the hitherto politicized historiography of some identities in Africa

**Cultural Impact on Conflict Management in Higher Education** Nancy T. Watson, Lei Xie, Matthew J. Etchells, 2018-07-01 *Cultural Impact on Conflict Management in Higher Education* shares information regarding conflict management and resolution in higher education from a global perspective In this book we introduced many conflict resolution methods from different regions in the world You can borrow some successful strategies and examine the differences and similarities between contexts The book shares a conflict resolution model which may direct the reader to start thinking about addressing and managing conflicts from different levels of organizations This book is a collective work of authors coming from all over the world We chose higher education as the context because it is a place where diverse thoughts perspectives and people come together Because of the potential richness of diversity on a college campus the opportunity for conflicts occurs Managing conflict does not work when there is a one way only approach model for addressing conflict Some conflict resolution encompasses multiple dimensions a one s personal beliefs or beliefs about an issue b an individual s personal history in terms of how the conflict was perceived as something to be discussed or not c work culture of the conflict where if one has a conflict the person or unit is messing up or there is a problem person d the unconscious strategies of face saving trying to maintain one s image present e social hierarchies or relationships and f the diversity dimensions and issues that may be present

**Research Anthology on Preparing School Administrators to Lead Quality Education Programs** Management Association, Information Resources, 2020-07-24 The delivery of quality education to students relies heavily on the actions of an institution s administrative staff Effective leadership strategies allow for the continued progress of modern educational initiatives It is crucial to investigate how effective administrators lead their organizations in challenging and difficult times and promote the accomplishments of their organization *Research Anthology on Preparing School Administrators to Lead Quality Education Programs* is a vital reference source that offers theoretical and pedagogical research concerning the management of educational systems on both the national and international scale It also explores academic administration as well as administrative effectiveness in achieving organizational goals Highlighting a

range of topics such as strategic planning human resources and school culture this multi volume book is ideally designed for educators administrators principals superintendents board members researchers academicians policymakers and students

*Advancing Africa's Sustainable Development* Alain L. Fymat,2018-11-14 While many African countries lag behind the rest of the industrialised world in scientific and medical research and development the situation is progressively improving This is why the Society for the Advancement of Science in Africa was established to contribute to economic advancement and sustainability through science research education and innovation This book provides a selection of papers from the Advancement of Science in Africa s fourth annual conference The conference was held under the overarching theme of science technology and innovation in Africa with several important sub themes including but not limited to improving health research and disease surveillance education collaborating in research responding to epidemic diseases with high mortality in Africa and promoting women s interest in science careers The collection illustrates how although the chapter contributors come from various countries and universities representing their own academic research they all share a common interest in advancing science technology and innovation in Africa

**Contextualizing and Organizing Contingent Faculty** Ishmael I. Munene,2018-02-15 Contextualizing and Organizing Contingent Faculty Reclaiming Academic Labor in Universities seeks to develop a counterculture that eschews the neoliberal ideology and interloping market values in higher education More than merely lamenting the disruptive effects of these marketplace values in higher education institutions it develops both theoretical insights and practical organizing strategies pertinent to challenging new academic capitalist values and behaviors Contributors local and international present cases from various institutions to illuminate how national trends concerning contingent faculty are articulated implemented and challenged at the local level They present organizing strategies which are analyzed from an interdisciplinary perspective providing a thorough and comprehensive view of the contingent labor movement This book will provide useful lessons to a broad array of audiences in universities labor movements and national and local governments

**Annual Review of Comparative and International Education 2022** Alexander W. Wiseman,2023-12-14 Reflecting on ten prolific years of publication both volumes of the 2022 Annual Review together present discussions on education trends and directions conceptual and methodological developments research to practice area studies and regional developments and diversification of the field of education

*Handbook of Research on Transformative Digital Content and Learning Technologies* Keengwe, Jared,Bull, Prince Hycy,2016-12-21 Technology is constantly evolving and can now aid society with the quest for knowledge in education systems It is important to integrate the most recent technological advances into curriculums and classrooms so the learning process can evolve just as technology has done The Handbook of Research on Transformative Digital Content and Learning Technologies provides fresh insight into the most recent advancements and issues regarding educational technologies in contemporary classroom environments Featuring detailed coverage on a variety of topics such as mobile technology integration ICT literacy integration digital wellness online

group counseling and distance learning this publication will appeal to researchers and practitioners who are interested in discovering more about technological integration in education

**Science Research and Education in Africa** Alain L. Fymat, Joachim Kapalanga, 2017-03-07 For various economic and political reasons many African countries lag behind the rest of the industrialised world in scientific and medical research and development However the presence of intellectual islands scattered across the continent gives hope that this is only a transient situation on the cusp of undergoing a profound and beneficial change For this reason the Society for the Advancement of Science in Africa was established to catalyse and contribute to this needed evolution Its mission is to contribute to Africa's economic advancement and sustainability through science research education and innovation This book provides a selection of papers from the Advancement of Science in Africa's third annual conference The conference was held under the overarching theme of science research and education in Africa with several important sub themes including but not limited to improving health research and disease surveillance education epidemic diseases with high mortality promoting women's interest in science careers fostering youth development with science education The collection illustrates how although the chapter contributors come from various countries and universities representing their own academic research they all share a common interest in advancing science research and education in Africa

The Report: Kenya 2014 Oxford Business Group, 2014-11-13 The country has a strong private sector and received encouraging forecasts of new oil gas and water reserves which if harnessed appropriately bode well for future growth While a pending international court case resulting from prior elections provoked a measure of uncertainty the country's medium to long term economic outlook is robust With over 40% of the population under the age of 15 Kenya stands to benefit from a significant demographic dividend provided that sufficient jobs can be found when this population bulge enters the workforce The country has a reasonably sized industrial base competitive infrastructure and a large agricultural sector all of which offer opportunities for capital intensive investment

*Advances in Phytochemistry, Textile and Renewable Energy Research for Industrial Growth* Charles Nzila, Nyamwala Oluoch, Ambrose Kiprop, Rose Ramkat, Isaac S. Kosgey, 2022-04-06 The International Conference on Phytochemistry Textile Renewable Energy Technologies for Sustainable Development ICPTRE 2020 was hosted by the World bank funded Africa Centre of Excellence in Phytochemicals Textile and Renewable Energy ACEII PTRE based at Moi University in conjunction with Donghua University China and the Sino Africa International Symposium on Textiles and Apparel SAISTA The theme of the conference was Advancing Science Technology and Innovation for Industrial Growth The research relationships between universities and industry have enabled the two entities to flourish and in the past have been credited for accelerated sustainable development and uplifting of millions out poverty ICPTRE 2020 therefore provided a platform for academic researchers drawn from across the world to meet key industry professionals and actively share knowledge while advancing the role of research in industrial development particularly in the developing nations The conference also provided exhibitors with an opportunity to interact with

professionals and showcase their business products technologies and equipment During the course of the conference industrial exhibitions research papers and presentations in the fields of phytochemistry textiles renewable energy industry science technology innovations and much more were presented *Multifunctional Agriculture* Roger Leakey,2017-04-14 In a world increasingly challenged by the need to integrate and understand highly specialized knowledge in a multidisciplinary way this book is innovative and perhaps unique in addressing this challenge It focuses on ideas strategies techniques and practices spanning many disciplines at the interface of agriculture with forestry horticulture plant physiology genetics ecology soil science food science economics and the social and environmental sciences as delivered by intensified and enriched agroforestry Multifunctional Agriculture addresses this complexity using case studies and insights from the needs of African farmers whose livelihoods are constrained by complex interactions between social environmental and economic factors and problems underlying agricultural sustainability in Africa This book therefore provides an important resource for those trying to understand the role of agriculture in the achievement of the new Sustainable Development Goals by providing easily implementable practical and effective methodologies and practices Provides a single source comprehensive insight into agroforestry multifunctional agriculture it s potential challenges and progress Helps readers understand and assess potential opportunity through implementation Includes case studies and real world insights that address common situations and the practical application of best practices Explores the role of multi functional agriculture in mitigating climate change impacts providing value story beyond crop production
