

Forest Products Journal Index ... 1969

Articles are listed in three ways: by title, by subject, and by author. Combined title and subject listings appear first. Titles are listed alphabetically, with leading articles *A, An, and The* omitted. Whenever possible, subject listings are grouped under title of the Society's 11 Subject-Matter Divisions, with the Division's title printed in boldface capital letters, and appropriate subdivisions printed in upper and lower case boldface. Where appropriate, additional boldface headings have been included and many articles have been cross-referenced under several headings.

The Author Index contains an entry for every author, with complete information listed under the senior author; listings for co-authors refer back to the senior author.

Reprints of all articles listed in the index may be obtained. The reprint order number and the cost per single copy are listed in both sections. Prices are based on 20 cents per printed page, with a \$1.50 maximum charge per reprint. Special bulk rates are available. Check or money order must accompany all orders.
