

The background of the cover features a close-up photograph of a laboratory setting. In the foreground, a glass petri dish is filled with a vibrant blue agar medium. To its left, another petri dish contains a pink agar medium. A glass dropper with a blue cap is positioned above the blue dish, as if it has just added a drop of liquid. In the background, a white lab coat is visible, and another petri dish with a yellow agar medium is partially seen. The overall scene is brightly lit, emphasizing the colors of the agar.
