Handbook on Gender and Health Jasmine Gideon, 2016-05-27 This Handbook brings together a groundbreaking collection of chapters that uses a gender lens to explore health care and health policy in both the Global South and North. Empirical evidence is drawn from a variety of different settings and points to the many ways in which the gendered dimensions of health have become reworked across the globe. This collection includes insightful contributions from 56 leading authorities from Africa, the Americas, Asia, Europe, and the Middle East, offering a wealth of knowledge, theoretical reflection, and empirical detail on the essential elements surrounding gender and health. Topics covered include theoretical approaches to understanding gender and health, migration, sexuality, ageing, masculinities, climate change, and sexual and reproductive rights. Split into four thematic sections, this book strives to develop a clear road map towards achieving gender justice in health. The Handbook on Gender and Health will be an important resource for researchers, students, and instructors of health policy and family and gender studies. Contributors include: G. Alvarez, M. E. Ansoléaga, L. Moreno, L. Artazcoz, A. E. Birn, R. A. Burgess, A. Coates, I. Cortés, S. Del Pino, K. Devries, X. D. Berr, L. Doyal, K. Elzein, V. Escobar, B. Eveslage, C. Ewig, J. Gideon, J. Psychosocial Skills and School Systems in the 21st Century Anastasiya A. Lipnevich, Franzis Preckel, Richard D. Roberts, 2016-04-02 This book provides a comprehensive overview and in-depth analysis of research on psychosocial skills, examining both theory and areas of application. It discusses students' psychosocial skills both as components of academic success and desired educational outcomes in grades K through 12. The book describes an organizing framework for psychosocial skills and examines a range of specific constructs that includes achievement, motivation, self-efficacy, creativity, emotional intelligence, resilience, and the need for cognition. In addition, it reviews specific school-based interventions and examines issues that concern the malleability of psychosocial skills. It addresses issues relating to the integration of psychosocial skills into school curriculum, as well as large-scale assessment policies. Topics featured in this book include: Development of psychosocial skills in grades K-12; Assessment of psychosocial skills; Conscientiousness in education and its relation to meaningful educational outcomes; Creativity in schools including theory, assessment, and interventions; Academic emotions and their regulation through emotional intelligence; Resilience and school-based programs.

Hursh, 2015-10-16 The End of Public Schools analyzes the effect of foundations corporations and non governmental organizations on the rise of neoliberal principles in public education By first contextualizing the privatization of education within the context of a larger educational crisis and with particular emphasis on the Gates Foundation and influential state and national politicians it describes how specific policies that limit public control are advanced across all levels Informed by a thorough understanding of issues such as standardized testing teacher tenure and charter schools David Hursh provides a political and pedagogical critique of the current school reform movement as well details about the increasing resistance efforts on the part of parents teachers and the general public **Birkbeck** Joanna Bourke, 2022 In 2023 Birkbeck University of London celebrates 200 years of educating working people in central London It was founded in 1923 as the London Mechanics Institution and from its inception was a pioneering and radical institution This history is animated by the conviction that Birkbeck is its people Their thoughts and ambitions hopes and dreams labour and laughter are what this book describes celebrates and occasionally laments It explores the history of education as well as the history of place politics radicalism class race gender disciplinarity theatre food leisure war and everyday encounters Most of all this book is about ideas What does it mean to be educated How have these meanings changed over time What makes Birkbeck students unique What does it mean to be fully human exploiting our faculties in order to become better people *The English Professor* Margaret R. O'Leary/Dennis S. O'Leary, 2016-02-04 Across the span of more than forty years Raphael Dorman O'Leary a professor of English rhetoric and English literature taught his students at the University of Kansas to think straight to put sinew into their sentences and to embrace the magnificent literary treasures of their mother tongue The English Professor by authors Margaret R O'Leary and Dennis S O'Leary offers a narrative of the life work and times of a revered Midwestern university English teacher This memoir narrates how the professor born in 1866 was raised on a Kansas farm in the post

bellum era Like his father before him he was committed to a life of learning and teaching His colleagues knew him for his unpretentious exterior honesty and integrity and his flashing anger at cheapness vulgarity pretense and above all charlatanism When Professor O Leary died after a short illness in 1936 his personal effects passed through two generations to his grandson Dennis S O Leary who with his wife Margaret discovered his papers while restoring a family house The trove of material served as the core resource for the compilation of The English Professor It provides insights into the histories of Kansas and the University of Kansas and of Harvard University as well as perspectives on higher education including the teaching of English rhetoric language literature journalism and oratory in the United States

The Rise and Fall of Civic Education Michael Learn, 2024-09-16 Social studies is a field in crisis The crisis stems from failure to establish the very foundation of social studies purpose in public education civic education Social studies advocates have never put forth a coherent method for teaching civic education because policymakers and the public have been unable to agree upon a general definition of civic education This issue has disrupted the field since the early days As educators sought to include civic education within public schools as a dedicated field social studies evolved into a blending of history social sciences and civic education Social studies evolution never resolved the differences between the three with each discipline striving to control the narrative Instead of creating a unified field the disciplines devalued social studies and thus any discipline associated with it The Rise and Fall of Civic Education The Battle for Social Studies in a Shifting Historical Landscape investigates the changing definitions and purposes ascribed to social studies in the United States through time This result is viewed through the rising tensions from culture wars as America's divisive politics fight to control the narrative of the disciplines within social studies

Between Church and State James W. Fraser, 2016-09-15 A fully updated second edition of this essential look at the continuing tensions between religion and American public schools Today the ongoing controversy about the place or lack of place of religion in public schools is a burning issue in the United States Prayer at football games creationism in the classroom the teaching of religion and morals and public funding for private religious schools are just a few of the subjects over which people are skirmishing In Between Church and State historian and pastor James W Fraser shows that these battles have been going on for as long as there have been public schools and argues there has never been any consensus about what the separation of church and state means for American society or about the proper relationship between religion and public education Looking at the difficult question of how private issues of faith can be reconciled with the very public nature of schooling Fraser's classic book paints a complex picture of how a multicultural society struggles to take the deep commitments of people of faith into account including people of many different faiths and no faith In this fully updated second edition Fraser tackles the culture wars adding fresh material on current battles over public funding for private religious schools He also addresses the development of the long simmering evolution creationism debate and explores the tensions surrounding a discussion of religion and the accommodation of an increasingly religiously diverse American

student body Between Church and State includes new scholarship on the role of Roger Williams and William Penn in developing early American conceptions of religious liberty It traces the modern expansion of Catholic parochial schools and closely examines the passage of the First Amendment changes in American Indian tribal education the place of religion in Booker T Washington and W E B Du Bois s debates about African American schooling and the rapid growth of Jewish day schools among a community previously known for its deep commitment to secular public education **Guide to RBI Grade B Officers Exam 2019 Phase 1 - 3rd Edition** Disha Experts,2019-09-06
