

L'histoire du Français

L'ancien français

Au moment où l'ancien français produit des œuvres, de *La Chanson de Roland* à François Villon, la langue présente, selon les régions, des traits particuliers que l'on appelle **traits dialectaux**. Il ne s'agit pas de langues différentes mais d'une seule et même langue ayant ici et là des particularités surtout de prononciation.

La France du Nord compte alors cinq (5) dialectes principaux : le normand, le picard, le champenois, le wallon et le lorrain.

- À Paris, principal centre économique et intellectuel, s'effectuent un amalgame de ces dialectes et un certain travail d'uniformisation. Les traits dialectaux disparaîtront alors peu à peu des régions au profit de la langue unifiée parlée dans la capitale. Ce phénomène d'uniformisation de la langue se produit dans toutes les langues de civilisation autour d'une ville capitale.

- L'influence extérieure importante de cette époque fut celle de l'arabe auquel l'ancien français emprunte quantité de mots par suite de contacts avec l'Orient au cours des Croisades : **alchimie, alcool, algèbre, amiral, azur, chiffre, épinard, gazelle, goudron, jupe, magasin, orange, sirop, zéro.**

Le moyen français

Marquée par la Guerre de Cent Ans avec l'Angleterre et les guerres de religions à l'intérieur de la France, cette époque est accompagnée sur le plan de la langue par de grands bouleversements, qui vont conduire le français à des formes qui ressemblent à celles que nous lui connaissons aujourd'hui.

- Le français coupe les derniers fils qui le rattachent encore au latin, stabilise son système phonétique et fait fleurir son lexique comme jamais auparavant. C'est l'époque de la création de mots savants formés le plus souvent à partir du grec (pédagogie, encyclopédie, économie, etc.)

- Mais les emprunts les plus nombreux viennent, pour cette époque, de l'italien (plus de 600 mots : **arcade, balcon, banque, bouffon, brave, caleçon, caporal, caprice, carnaval, masque, moustache, soldat, vedette.**

- C'est à cette époque que nous devons, pour l'essentiel, notre orthographe complexe.

Histoire Dune Prostituée Documents Français
