that cat people did indeed want to visit a cat museum and people from all over the world have come to visit I hope I live forever but my wife died at age 87 so it is unlikely I will live forever and when I do I hope all the people who love cats will come together and help the museum live on after me with donations to the cause Information of how you can help can be found on the last few pages on this book Please buy a copy learn more about your cats and help the museum to live on into the future to educate and entertain cat lovers in the near and far future **Cheap Bastard's® Guide to Los Angeles**
