*How to Become like Christ* Christian Life By Marcus Dods. I suppose there is almost no one who would deny if it were put to him that the greatest possible attainment a man can make in this world is likeness to The Lord Jesus Christ. Certainly no one would deny that there is nothing but character that we can carry out of life with us and that our prospect of good in any future life will certainly vary with the resemblance of our character to that of Jesus Christ, which is to rule the whole future. We all admit that but almost every one of us offers to himself some apology for not being like Christ and has scarcely any clear reality of aim of becoming like Him. Why we say to ourselves or we say in our practice it is really impossible in a world such as ours is to become perfectly holy. One or two men in a century may become great saints given a certain natural disposition and given exceptionally favouring circumstances men may become saintly but surely the ordinary run of men men such as we know ourselves to be with secular disposition and with many strong vigorous passions surely we can really not be expected to become like Christ or if it is expected of us we know that it is impossible. On the contrary Paul says We all we all Every Christian has that for a destiny to be changed into the image of his Lord. And he not only says so but in this one verse he reveals to us the mode of becoming like Christ and a mode as we shall find so simple and so infallible in its working that a man cannot understand it without renewing his hope that even he may one day become like Christ. In order to understand this simplest mode of sanctification we must look back at the incident that we read in the Book of Exodus xxxiv 29 35. Paul
