Failure: Another Chance for Success Raj Soni, 2020-09-01 The term Life as a whole is a very big word. However, it is made up of experiences and acts which may be small or big depending from person to person. Each day arrives with new challenges, new experiences, and probably something which has the power to change your life forever. This book is meant to be a guiding force for students, educators, teachers, instructors, experts, representatives, business visionaries, businessmen, and anyone who is open to learning. Each field, job, workplace, organization, business, and industry learns from failure and success at different levels and at regular intervals of time. This book brings you diverse ways, powers, hindrances, disappointments, achievements, and other possible occasions which may turn up in your path as you walk towards your ultimate goal. Keep in mind that both achievement and disappointment are temporary.
