Integrity in Mobile Phone Financial Services Pierre-Laurent Chatain,Raul Hernandez-Coss,Kamil Borowik,Andrew

Zerzan,2008-06-10 Governments are challenged to make an innovation friendly climate while simultaneously ensuring that business development remain sustainable Criminal use of the technology terrorist financing and money laundering challenges long run business viability via risk of massive investment flight and public distrust of new players entering the market Sustainable business models are those that base regulation on a careful risk based analysis This study identifies the perceived risks and compares them with the actual level of risk for each category of mobile phone financial services The comparison reveals that the perceptions do not weigh up to the reality Based on fieldwork in seven locations where the technology has taken off this paper finds that providers apply measures that are consistent with international standards to combat money laundering and terrorist financing It identifies the sometimes non traditional means the industry uses that both mitigate the risks and are in line with good business practices Acknowledging that mobile phone financial services are no riskier than other channels governments are called to treat them as an opportunity to expand access to finance

Finance 101: the Whiz Kid's Perfect Credit Guide Danny Singh,2012-11-14 No Credit Bad Credit Average Credit Just

Want To Learn About Finance Well congratulations because you have found the right book Not even the table of contents can show all the lessons contained within this book meant to help consumers fight all types of financial problems just as Danny Singh fights for his mother including avoiding a foreclosure reclaiming a repossessed car fixing credit avoiding deceptive loans as well as checking accounts filled with fees and getting denied credit applications approved In response to the student loans crisis looming in America and as a community college student himself Danny advocates going to a community or state college and doing the maximum number of classes is the best financial decision that can be made versus getting into 100 000 of debt Without needing bogus and expensive credit repair agencies Danny will emphasize the most effective debt repayment plans and methods to save money on everyday purchases allowing for consumers to be debt free in months instead of years Besides student loan debt Danny expresses credit unions are the solution for consumers to effectively pay off any type of debt such as credit cards auto loans and mortgages Being free of debt will cause their insurance premiums to decrease and increase their chances of better employment In addition consumers will be able to enjoy lives free of bankruptcy Saving for retirement and other financial goals will be a breeze Despite the financial conditions of a consumer or the economy perfect credit is never impossible and Danny proves this in Finance 101 The Whiz Kids Perfect Credit Guide If the knowledge in this book does not boost your credit scores and bank account balances then feel free to return or sell it The purchase of this book
