Judgment Great News Or Dreaded Dilemma:

Judgment: Great News or Dreaded Dilemma? Gordon Kainer, 2014-09-23 No biblical theme raises more fear or discouragement among Adventists than God's judgments especially the pre advent judgment However there is great news The author reveals how our fear disappears when we accept Jesus the righteous One as our Substitute in the judgment Learn how God's judgment illustrates His purpose of universal restoration and vindication in the context of His covenant grace and justification Through a loving God's offer of justification by faith we can stand confidently in the judgment with Christ our Advocate Discover joy in salvation by faith in Christ alone that the pre advent judgment is Christ centered not man centered it is not what you have done but what He has done for you Judgment does not question your decision to accept Christ's sacrifice it validates the decision you've already made Finally readers will find peaceful assurance that eternity won't begin until every human question has been answered to our satisfaction in the judgment **Straight Answers to 35 Tough**

Questions Gordon Kainer, 2017-07-18 Many years ago Bob Dylan wrote The answer my friend is blowin' in the wind but we've learned that really important answers don't come that easily Asking questions is a sign of a healthy growing faith a faith that drives us deeper into God's Word That's the reason God's first question in the Old Testament is Where are you while the first question the wise men ask in the New Testament is Where is He It's been observed that God answers just enough questions to get us through the day while leaving us with enough unanswered questions so we can look forward to learning more tomorrow This book is designed to deal with some of our most difficult questions or troubling issues from a biblical perspective At times it may appear that some questions have no answer or maybe have more than one or perhaps have answers that contradict each other That's one reason we're not only to confront knotty questions but willingly accept God's unraveling answers Adventism Re-examined: 75 Years of Changes, Challenges and Choices Gordon Kainer, 2019-11-13 My

book's objective is to describe the beliefs practices and ventures of the Adventist church that have had or still have a significant impact on my life Looking back I now have a better understanding why ancient Israel was repeatedly told to remember what God had done for them For this reason there will be much reminiscing retelling of personal experiences and evaluating church teachings and decisions all in the endeavor to make sense of what has happened That can only take place if we bathe our words and expressions in grace love and understanding The book endeavors to answer the underlying question what do we mean when we use the term church What are the primary reasons for its existence When you ask Adventists such a question we hope they answer with a reply that is inspiring and practical In presenting my view of Adventism over the past seventy five years it's had a positive effect on my knowing and understanding Jesus and I hope the same goes for you **Cain versus Abel: Not an Open and Shut Case** Gordon Kainer, 2018-02-04 While this story reads like a short police report Cain and Abel's tragic narrative plays a definitive role in the biblical saga called the great controversy As we review their story we might assume that if we had a chance to meet Cain and Abel just by looking we

could easily determine who was the kind Abel and who was the mean spirited Cain Are you sure Would you be surprised to learn Abel was guilty of viewing Cain from a superficial perspective that gave him a misleading impression of his brother As we study their lives it s easy for us to have preconceived ideas because we don t know what was going through Cain s mind until Cain s behavior plainly displays it for all of us to see It s human to be biased But that s not God s way of judging This book dives deeper into the story to reveal God s perspective I invite you to dive in with me as objectively as possible Don t prejudice Be persuaded by biblical evidence wherever it leads you

Why Ask Questions About Islam?: Answers Christians Need to Understand Gordon Kainer,2016-07-11 Across the world Islam appears in eye catching headlines We may be aware of what is happening but often we don t understand why Most Christians have unanswered questions about Islam don t we Do Muslims and Christians worship the same God Does it matter whether one is a Muslim or a Christian How does Islam view love sin salvation and forgiveness Is a Muslim s view of Jesus different than a Christian s What does Bible prophecy say about Islam How best should a Christian witness to a Muslim This book answers over 100 questions Christians ask about Islam and in so doing reveals Islam s greatest need a saving faith in the gospel of Jesus Christ It is the author s hope that this book provides you with a highly informative perspective as Islam is thoughtfully studied and evaluated within the framework of a biblical worldview

The Dreadful History and Judgement of God on Thomas Müntzer Andrew Drummond,2025-06-17 You will be gripped and inspired by this exciting story I couldn t put it down Lyndal Roper author of Martin Luther Renegade and Prophet On the 500th anniversary of the German Peasant Wars a brilliant portrait of Thomas Munzter radical millenarian preacher revolutionary and iconoclast The princes are nothing but tyrants who flay the people they fritter away our blood and sweat on their pomp and whoring and knavery These were the words of Thomas M ntzer at the head of the massed ranks of a peasant army in the year 1525 Ranged against him were the might of the princes of the German Nation How did M ntzer the son of a coin maker from central Germany rise in just a few short years to become one of the most feared revolutionaries in early modern Europe In this brilliant work of historical excavation Andrew Drummond charts the life and times of the man Martin Luther denounced as a Ravening Wolf and False Prophet Drummond shows us M ntzer as a human being Far from the bloodthirsty devil of legend he was a man of considerable learning and principle deeply sympathetic to the misery of the peasantry and the poor In his short life he was beheaded at thirty five M ntzer promised to fundamentally upend German society Seeking to save M ntzer from the condescension of history Drummond guides us through the religious and political disputes of the Reformation placing his life and thought in the context of those turbulent years The result is a portrait of an often contradictory but always radical figure one who continues to inspire movements of the poor across the globe
