

January 2014

Dear Sir/Maam,

As we start the annual fiesta in honor of "San Guillermo" in Iponan, Cagayan de Oro City, our organization named Westfield Youth is also on the preparatory stages for the barangay-initiated activities. This religious festival is a yearly barangay-wide activity that involves constituents or people from all walks of life to support financially in order to make it successful. Thus, the fiesta needs full support of the youth who are partly the "financial backers." Without the youth, it needs a long time to carry out the task that hinders the progress and success of the celebration.

It is for this reason that we are sending you this letter, to solicit any assistance that you can provide us from your bountiful hearts that would help us make this event a reality. Any amount given to us will be highly appreciated.

Thank you for your unsparing generosity. We hope to obtain favorable response from you on this matter.

May the Omnipotent God be with all of us -- a promising year of opportunities and blessings!

Respectfully yours,

Jan Kirk Cesar
Westfield Youth President

Why Bullies Are Cowards Diane Bonner,2016-08-04 As a retired teacher I want to share the origin and reasons why I am writing a book titled Why Bullies Are Cowards I was born and spent most of my early years growing up on a small farm in northwestern Iowa I had to ride a bus to school and sometimes some of the big boys on the bus would tease me and take my stuff One day they were so mean that I began crying when I got home I told my dad what had happened He sat quietly listening and after I had finished relating what happened he said I think it s time you learn how to stand up for yourself He continued by saying If these boys start teasing you tomorrow when you get on the bus and try to take your stuff I want you to stand up look them square in the eyes and in a loud clear voice tell these little cowards Pick on somebody their own size Needless to say I was shocked by what he said I had to do He made me practice saying this a couple of times He then responded Yup do it just like that Then I asked my dad What s a coward He replied Someone who must pick on others who are weaker smaller or less able to protect and defend themselves because they are too scared to treat others who are bigger tougher and stronger than they are in the same manner The last seventeen years of my career I taught at the intermediate school level where I had to deal with bullying situations experienced by sixth seventh and eighth grade students I understood my dad was right During this time I found that most bullying programs used ineffective forms of punishment to address and resolve peer to peer bullying problems rather than teaching students the why s what s and how s of what they must do to defend and protect themselves

from being bullied Why Bullies Are Cowards is intended to share with school personnel parents and community members that have contact with children the instructional materials and behavior management techniques I utilized to create a bully free classroom environment As bullying statistics and child suicide rates escalate it is time for all concerned to step up and help teach children how to stop being bullying victims perpetrators or bystanders **State Income Taxes , Vietnam**
