Satan's Circus Mike Dash, 2007-06-12 They called it Satan's Circus a square mile of Midtown Manhattan where vice ruled sin flourished and depravity danced in every doorway At the turn of the twentieth century it was a place where everyone from the chorus girls to the beat cops was on the take and where bad boys became wicked men a place where an upstanding young policeman such as Charley Becker could become the crookedest cop who ever stood behind a shield Murder was so common in the vice district that few people were surprised when the loudmouthed owner of a shabby casino was gunned down on the steps of its best hotel But when two weeks later an ambitious district attorney charged Becker with ordering the murder even the denizens of Satan's Circus were surprised.
