the Florida Keys the Everglades and more *America, the Owner's Manual* Bob Graham, Chris Hand, 2016-07-15 In 2016 Americans fed up with the political process vented that frustration with their votes Republicans nominated for president a wealthy businessman and former reality show host best known on the campaign trail for his sharp rhetoric against immigration and foreign trade Democrats nearly selected a self described socialist who ran on a populist platform against the influence of big money in politics While it is not surprising that Americans would channel their frustrations into votes for contenders who pledge to end business as usual the truth is that we don't have to pin our hopes for greater participation on any one candidate All of us have a say if we learn master and practice the skills of effective citizenship One of the biggest roadblocks to participation in democracy is the perception that privileged citizens and special interests command the levers of power and that everyday Americans can't fight City Hall That perception is undoubtedly why a 2015 Pew Charitable Trusts survey found that 74 percent of those Americans surveyed believed that most elected officials didn't care what people like them thought Graham and Hand intend to change that conventional wisdom by showing citizens how to flex their citizenship muscles They describe effective citizenship skills and provide tips from civic experts Even more importantly they offer numerous examples of everyday Americans who have used their skills to make democracy respond The reader will see themselves in these examples of citizens who chose to be victorious participants rather than tranquil spectators in the arena of democracy By the end of the book you will have new confidence that citizen participation is the lifeblood of America and will be ready to make governments work for you not the other way around **Lonely Planet Discover Florida** Lonely Planet, 2018-05-01 Lonely Planet The world's leading travel guide publisher Lonely Planet Discover Florida is your passport to the most relevant up to date advice on what to see and skip and what hidden discoveries await you Explore the magic of Walt Disney World resort stroll and peruse paintings on a Miami art walk or get under the surface and take a snorkeling trip in the Keys all with your trusted travel companion Discover the best of Florida and begin your journey now Inside Lonely Planet Discover Florida Full color maps and images throughout Highlights and itineraries help you tailor your trip to your personal needs and interests Insider tips to save time and money and get around like a local avoiding crowds and trouble spots Essential info at your fingertips hours of operation phone numbers websites transit tips prices Honest reviews for all budgets eating sleeping sight seeing going out shopping hidden gems that most guidebooks miss Cultural insights give you a richer more rewarding travel experience history culture art literature cinema music politics landscapes wildlife environmental issues cuisine lifestyle customs Over 53 color maps Covers Walt Disney Resort Orlando Universal Orlando Resort Palm Beach Gold Coast Miami Florida Keys Everglades National Park Tampa Bay Gulf Coast and more The Perfect Choice Lonely Planet Discover Florida our easy to use guide filled with inspiring and colorful photos focuses on Florida's most popular attractions for those looking for the best of the best Looking for a comprehensive guide that recommends both popular and offbeat experiences and extensively covers all the state has to offer Check out Lonely Planet Florida guide
