eighteenth centuries discovered that Chinese history was older than European and Biblical history With an analysis of the Chinese Manchu and European sources on ancient Chinese history this essay proposes an early case of intercultural historiography in which historical texts of different cultures are interwoven It focusses on the ways Chinese and European authors interpreted stories about marvellous births by the concubines of Emperor Ku These stories have been the object of a wide variety of interpretations in Chinese texts each of them representing a different historical genre They are excellent case studies to illustrate how the Chinese hermeneutic strategies shaped the diversity of interpretations given by Europeans A *Commentary, Critical and Explanatory, on the Old and New Testaments* Robert Jamieson, Andrew Robert Fausset, David Brown, 1871 *Unruly Gods* Meir Shahar, Robert P. Weller, 1996-08-01 The first study in English to offer a systematic introduction to the Chinese pantheon of divinities It challenges received wisdom about Chinese popular religion which until now presented all Chinese deities as mere functionaries and bureaucrats The essays in this volume eloquently document the existence of other metaphors that allowed Chinese gods to challenge the traditional power structures and traditional mores of Chinese society The authors draw on a variety of disciplines and methodologies to throw light on various aspects of the Chinese supernatural The gallery of gods and goddesses surveyed demonstrates that these deities did not reflect China's socio-political order but rather expressed and negotiated tensions within it In addition to reflecting the existing order Chinese gods shaped it transformed it and compensated for it and as such their work offers fresh perspectives on the relations between divinity and society in China *Ring of Fire III* Eric Flint, 2011-07-01 Let's do the Time Warp again Another anthology of rollicking thought provoking collection of tales by a star studded array of top writers such as bestseller Mercedes Lackey and Eric Flint himself all set in Eric Flint's phenomenal Ring of Fire series After a cosmic accident sets the modern day West Virginia town of Grantville down in war torn seventeenth century Europe these everyday resourceful Americans must adapt or be trod into the dust of the past Rock on Renaissance A cosmic accident sets the modern West Virginia town of Grantville down in war torn seventeenth century Europe It will take all the gumption of the resourceful freedom loving up timers to find a way to flourish in mad and bloody end of medieval times Are they up for it You bet they are The third rollicking and idea packed collection of Grantville tales edited by Eric Flint and inspired by his now legendary 1632 At the publisher's request this title is sold without DRM Digital Rights Management [The Scattered Flock](#) Luo Guanzhong, 2020-06-15 The Scattered Flock the last volume of this new series of translations contains chapters 91-120 that mark the disastrous end of the 108 heroes The action in this volume can be divided into three parts the campaign against Tian Hu the campaign against Wang Qing and the campaign against Fang La It is in the last of these that the heroes of Mount Liang begin to die Their demise is as haphazard and casual as the scattering of the flock of geese when the Prodigy shoots them for mere amusement But the theme of the vanity of human wishes the emptiness of ambition becomes prominent earlier *A Galaxy of Immortal Women* Brian Griffith, 2012-05-15 The goddess tradition remakes China and the world
