Steven Spielberg Joseph McBride, 2011-01-04 Until the first edition of Steven Spielberg A Biography was published in 1997 much about Spielberg's personality and the forces that shaped it had remained enigmatic in large part because of his tendency to obscure and mythologize his own past But in this first full scale in depth biography of Spielberg Joseph McBride reveals hidden dimensions of the filmmaker's personality and shows how deeply personal even his most commercial work has been This new edition adds four chapters to Spielberg's life story chronicling his extraordinarily active and creative period from 1997 to the present a period in which he has balanced his executive duties as one of the partners in the film studio DreamWorks SKG with a remarkable string of films as a director Spielberg's ambitious recent work including Amistad Saving Private Ryan A.I. Artificial Intelligence Minority Report The Terminal and Munich has continually expanded his range both

stylistically and in terms of adventurous often controversial subject matter Steven Spielberg A Biography brought about a reevaluation of the great filmmaker's life and work by those who viewed him as merely a facile entertainer This new edition guides readers through the mature artistry of Spielberg's later period in which he manages against considerable odds to run a successful studio while maintaining and enlarging his high artistic standards as one of America's most thoughtful sophisticated and popular filmmakers

Cincinnati Theaters Steven J. Rolfes, Douglas R. Weise, Phil Lind, 2016 Theaters have always been the places where memories are made There on Saturday afternoons children could escape the pressures of growing up to live for two hours in a fantasy world of daring heroes dastardly villains and dazzling magic They were the places where awkward teenage boys could nervously and often clumsily put their arms around equally nervous girls In years past every neighborhood had its own local theater Downtown was home to the great movie palaces ornate portals to a world of motion picture thrills For a unique experience nothing could beat a hot summer night at the drive in Today in the era of the corporate multiplex the great movie palaces are just memories Some neighborhood cinemas are now churches or venues for meetings wedding receptions and small concerts
