Health and Well-Being in the Middle Grades Katherine Main,Susan Whatman,2023-02-01 Current research around the middle grades has brought a heightened attention by teachers policymakers and researchers recognizing that this stage is a time when a students health and social and emotional well being directly impacts their academic progress To date school leaders and teachers have not been well served by explicit resources for middle grades education that focus on aspects of the health and well being of young adolescent learners to support the planning of curriculum and teaching and to support teachers and leaders working with this age group The purpose of this research based volume is to fill that gap and to enable school leaders teachers academics and teacher candidates to develop successfully an understanding of the health and well being aspects of young adolescent learners and provide them with the necessary tools and information to address the health and well being needs of young adolescent learners

[Systematic Reviews of Research in Basic Education in South Africa](#) Felix Maringe,2021-04-09 Maringe ought to be commended for putting together an invaluable contribution to our understanding of research into a complex education system in South Africa This volume provides a useful foundation to the current state of education quality in South Africa including the impact of interventions It also brings to the fore challenges still facing education transformation The evidence presented which taken together lays out a coherent view of how improvements could be made Albert Chanee Head of Planning Gauteng Department of Education For too long the weight of educational scholarship produced in South Africa has been limited to that simple and standard form called the literature review Now for the first time education researchers are provided with an African based text on the concepts and methods of conducting systematic reviews In this exceptional work of editorship Felix Maringe brings together some of the leading researchers on South African education to model and demonstrate how to review a significant body of research on a chosen topic which is adjudicated strictly on the

basis of the quality and efficacy of the evidence in hand I have no doubt that this remarkable book will become a standard reference for educational researchers in and beyond the African continent It will also lift the quality of educational inquiry by equipping a new generation of scholars with the capacity for doing evidence based research that compels the attention of policymakers planners and practitioners alike Prof Jonathan Jansen Stellenbosch University Re-thinking Adult Education Research. Beyond the Pandemic Vanna Boffo, Regina Egetenmeyer,2023-08-04 This work is the result of the European INTALL Project International and Comparative Studies for Students and Practitioners in Adult Education and Lifelong Learning 2018 2021 From early September 2018 to the end of August 2021 this project allowed us to build knowhow about some specific issues of adult education The latest meeting of the INTALL project partners led to a conference about the role of Adult Education Research during and after Covid 19 and the importance of re thinking Lifelong and Lifewide Learning for the future Based on four sections Innovation and Future Competences in Adult Education Research Professionalisation in Adult Education Sustainability Inclusion and Wellbeing Topics for Adult Society and Smart Cities and Learning and Teaching in Higher Education in Post Pandemic Time A Digital Transformation the volume represents an opportunity to foster a debate on key issues in the field of Adult Learning and Education across Europe *Healthmaking in Ancient Egypt* Anne Austin,2024-06-03 This book explores the health of ancient Egyptians living in the New Kingdom village of Deir el Medina Through an interdisciplinary approach that combines skeletal analysis with textual evidence the book examines how social factors such as social support healthcare access and economic stability played crucial roles in buffering individuals from stress and promoting good health This is the first comprehensive book on the bioarchaeology of Deir el Medina including data from human remains spanning the site s New Kingdom occupation This book highlights how the Social Determinants of Health can be used to explain how past people maintained their health **Impacting Society Positively Through Technology in Accounting and Business Processes** Tankiso Moloi,2025-05-09 This conference volume discusses the findings of the iCAB 2024 conference that took place in Sun City South Africa on June 27 28 2024 The University of Johannesburg hosted the iCAB 2024 conference with the aim to bring together researchers from different Accounting and Business Management fields to share ideas and discuss how new disruptive technological developments are impacting the field of accounting The conference was sponsored by the Association of International Certified Professional Accountants AICPA CIMA *Autism* Mary Clasquin-Johnson,Dikeledi Mahlo,Michel Clasquin-Johnson,2023-02-10 This book is written at a time of a paradigm shift in the African continent where dependence on western epistemologies and ontologies are giving way to African indigenous knowledge systems Africa has been an importer of knowledge from the west since time immemorial and this book contributes to the body of knowledge on autism spectrum disorder ASD from the African perspective As a result decoloniality and Inclusive Education have gained traction within the academic discourse with University of South Africa UNISA hosting decoloniality annual conference and a summer school to stimulate academic discussions and debates

with a focus on African indigenous knowledge systems and theoretical lenses as opposed to the western epistemologies The book also demystifies some of the misconceptions that children with ASD are a curse and punishment from God or gods Among others Ubuntu seems to be the dominant theoretical framework underpinning some of the research studies reported in this book ICIE 2017 - Proceedings of the 5th International Conference on Innovation and Entrepreneurship Dr Kamarulzaman Ab. Aziz, 2017 Proceedings of the 5th International Conference on Innovation and Entrepreneurship held in Cyberjaya Malaysia on 26th 27th April 2017 **Innovating Counseling for Self- and Career Construction** Jacobus Gideon (Kobus) Maree, 2020-06-29 This book sets out to provide context for innovating counseling for self and career construction It gives readers insight into the theory underlying an innovative integrative qualitative quantitative approach to career counseling Three key ideas recur throughout the book First the idea of not dispensing advice to people instead enabling them to advise themselves Second the idea of listening for instead of to people's stories to help them choose and construct careers and themselves and shape their career identities Third the idea of helping people connect what they know about themselves consciously with what they are aware of subconsciously The book confronts some of the main challenges posed by Work 4.0 on the workplace but also foreshadows the imminent advent of Work 5.0 It endeavors to promote career counselors' ability to help people thrive at a time when many speculate that work itself is at risk occupational contexts no longer hold workers in the way they used to and the coronavirus pandemic is disrupting the workplace **The Palgrave Handbook of Mental Health Practice in Sub-Saharan Africa** Kate E. Murray, Robert D. Schweitzer, Ashraf Kagee, Lily Kpobi, 2025-04-03 The focus of this handbook is to highlight the key issues in addressing the challenges and opportunities to promote mental health in Sub-Saharan Africa A unique feature of this work is the privileging of African voices in expressing the strengths vulnerabilities and unique approaches which have been found within the Sub-Saharan context The handbook is broken into three sections The first introduces the handbook and the general issues and concepts discussed The second describes diverse community outreach and mental health interventions applied by the contributors in diverse Sub-Saharan Africa countries and contexts and addressing a range of mental health topics The third focuses on systemic issues that affect mental health service delivery with recommendations provided Opportunities for creating new models for sharing practices and disseminating knowledge generated by Sub-Saharan African practitioners for their culture and contexts are discussed
