raising an eagle as her standard blustered and blundered into a war because no one on either side was brave enough to resist the march into it In *Eagles and Empire* Clary draws vivid portraits of the period's most fascinating characters from the cold-eyed stubborn United States president James K Polk to Mexico's flamboyant and corrupt general president dictator Antonio Lopez de Santa Anna from the legendary and ruthless explorer John Charles Fremont and his guide Kit Carson to the Angel of Monterey and the Boy Heroes of Chapultepec from future presidents such as Benito Juarez and Zachary Taylor to soldiers who became famous in both the Mexican and North American civil wars that soon followed Here also are the Irish Soldiers of Mexico and the Yankee sailors of two squadrons hero bandits and fighting Indians of both nations guerrilleros and Texas Rangers and some amazing women soldiers From the fall of the Alamo and harrowing marches of thousands of miles in the wilderness to the bloody dramatic conquest of Mexico City and the insurgency that continued to resist this is a riveting narrative history that weaves together events on the front lines where Indian raids guerrilla attacks and atrocities were matched by stunning acts of heroism and sacrifice with battles on two home fronts political backstabbing civil uprisings and battle lines between Union and Confederacy and Mexican Federalists and Centralists already being drawn The definitive account of a defining war *Eagles and Empire* is page turning history a book not to be missed [Comprehensive Index of the Publications of the United States Government, 1889-93](#) John Griffith Ames, United States. William Phelps, 2011-06-01 The gripping tale of a legendary century old murder spree A silent simmering killer terrorized New England in 1911 As a terrible heat wave killed more than 2 000 people another silent killer began her own murderous spree That year a reporter for the Hartford Courant noticed a sharp rise in the number of obituaries for residents of a rooming house in Windsor Connecticut and began to suspect who was responsible Amy Archer Gilligan who'd opened the Archer Home for Elderly People and Chronic Invalids four years earlier Sister Amy would be accused of murdering both of her husbands and up to sixty six of her patients with cocktails of lemonade and arsenic her story inspired the Broadway hit *Arsenic and Old Lace* The *Devil's Rooming House* is the first book about the life times and crimes of America's most prolific female serial killer In telling this fascinating story M William Phelps also paints a vivid portrait of early twentieth century New England **Who Gets a Childhood?** William S. Bush, 2010-01-01 Using Texas as a case study for understanding change in the American juvenile justice system over the past century the author tells the story of three cycles of scandal reform and retrenchment each of which played out in ways that tended to extend the privileges of a protected childhood to white middle and upper class youth while denying those protections to blacks Latinos and poor whites On the forefront of both progressive and get tough reform campaigns Texas has led national policy shifts in the treatment of delinquent youth to

a surprising degree Changes in the legal system have included the development of courts devoted exclusively to young offenders the expanded legal application of psychological expertise and the rise of the children s rights movement At the same time broader cultural ideas about adolescence have also changed Yet the author demonstrates that as the notion of the teenager gained currency after World War II white middle class teen criminals were increasingly depicted as suffering from curable emotional disorders even as the rate of incarceration rose sharply for black Latino and poor teens He argues that despite the struggles of reformers child advocates parents and youths themselves to make juvenile justice live up to its ideal of offering young people a second chance the story of twentieth century juvenile justice in large part boils down to the exclusion of poor and nonwhite youth from modern categories of childhood and adolescence
