Brown V. Board of Education Jack Greenberg, 2004 Excerpted from Crusaders in the courts Anniversary edition Legal battles of the civil rights movement *The Unfinished Agenda of Brown v. Board of Education* James Anderson, Dara N. Byrne, 2008-04-21 Praise for The Unfinished Agenda of Brown V Board of Education My father Oliver L Brown for whom Brown v Board of Education is named was a proud member of a group of a few hundred people across the country who took risks by taking a stand for what they believed He died in 1961 just seven years after the case so he didn't live long enough to know that Brown would become the foundation on which so much of this country's civil and human rights initiatives would rest Brown v Board became important for every citizen not just African Americans It shows that the founding documents of our country provided us with sovereign rights that cannot be restricted by state and local governments That decision impacted the lives of women persons with disabilities blacks whites Hispanics Asians and everyone living in this country Brown was significant in attacking the silence It opened up a dialogue and forced the country to take on greater responsibility we at every level had to start addressing the issue of race In many ways once the dialogue started we finally began to understand the depths of racism This case was about gaining access to educational resources the resources were and remain where the white children are The Unfinished Agenda of Brown v Board of Education is about renewing and continuing the promise of Brown Cheryl Brown Henderson president of the Brown Foundation for Educational Equity Excellence and Research and daughter of Oliver L Brown one of the thirteen plaintiffs in Brown v Board of Education
