Dogs Make the Best Pets

When it comes to pets, it is **without a doubt** that dogs **most certainly** make the best pets. **Dogs are loyal, affectionate and active animals** making them **perfect** pets for children.

Firstly, everyone knows that dogs are the **most loyal** of pets. **They will sit with you when you are sick, they love to spend time with you, play with you and they will guard your house.**

Secondly, it is widely known that dogs are **affectionate**. Dogs like to be hugged, petted and rubbed by their owners. **Dogs also excitedly greet you when you come home - no other pet will run, jump up and hug you as soon as you walk through the door.**

Finally, dogs are active animals. They require regular walking which means that children who walk their dogs will also get **regular exercise**. Dogs love to play back and forth in the yard **without getting bored**.

In conclusion, **there is no question** that dogs make the best pet for children. This is because of their loyalty, their affectionate nature and their **active lifestyle**.

The poster is done and here is my label!
