Spring

An interactive sequence puzzle interface designed for children. It features a blue tablet-like frame. At the top, there are four numbered boxes: a white box with a blank space, followed by boxes containing the numbers 2 (yellow), 3 (green), and 4 (red). Below these are four circular slots, the second of which contains a red vertical bar. At the bottom, there are four square picture boxes showing a boy fishing in a pond. The first three boxes show the boy in different stages of casting his net, while the fourth box shows him holding a large fish. A text box at the bottom center contains the instructions: "Drag the numbers to put the pictures in order. Say a sentence about each picture." In the bottom left corner, there is a circular inset photo of a woman, and in the bottom right corner, there is a circular logo with the word "INCLUDE!" and a star.
