Copyright Office,1975 **Southern Sounds From The North** Richard L. Doran,2008-11-06 Historically the state of Ohio has maintained an active role in the promotion of southern gospel music Many gospel artists including some of the Nation s finest were either born or lived a portion of their life in Ohio Development of these ministries and the events that have taken place along the way has become a valuable part of Ohio s history Over the past two years desiring to preserve a portion of this history I have completed extensive research interviewing gospel artists throughout the state I then compiled this information into a unique collection of history to be shared with everyone To help the reader more fully appreciate life on the road the stories of these gospel

artists are presented within the context of eight road tours covering the entire state of Ohio Travelling along on each tour we will experience a variety of emotions from laughter to frustration At each stop we will learn some fascinating facts about the town and while in town we ll stop by and visit with a few of those southern gospel artists and or groups who claim the town as part of their heritage Each tour will end with a short walk down memory lane as we view photos of those gospel artists whom we have just visited So come on Open the book climb on board and prepare yourself for eight exciting tours across the great state of Ohio where we ll meet some truly inspiring people Hope you enjoy the book **Daddy Sang Lead** Stanley Heard Brobston,2006 Dr Stanley Heard Brobston s book traces the history of the white gospel genre from the Bible to the American bicentennial Brobston s book may represent the first known study of gospel music using an objective method for selecting the representation of performers and music to be examined **The Prodigal Comes Home** Michael English,2008-02-17 A painfully honest story of human weakness and God s unending forgiveness Thirteen years ago amidst scandal sin and shattered lives Michael English fell from the pinnacle of the Christian music world In 1994 newspapers around the world blared the headline Gospel Singer Named Artist of the Year Turns in His Awards After Confirming He Had an Affair with a Fellow Married Singer From 1994 to 2002 Michael English s life went from bad to worse Public shame divorce broken relationships drug addiction even homelessness But in 2002 God reached out and rescued Michael from himself Today Michael is whole again and in this book he tells his story of redemption **The Songs of Doc Watson** Doc Watson,1971-06-01 This book was conceived and designed for Doc Watson music lovers Doc himself typed out the original list of songs that he would like to see in the book A few deletions and additions were made because of copyright problems Even so the final collection is superlative In it you will find the same wide variety of songs that you would hear at any Doc Watson concert In addition to words melody and chord names more than half the book is filled with guitar transcriptions in both tablature and standard music notation Most every song has both the basic accompaniment pattern together with at least one guitar instrumental break Realizing that Doc s fans include guitar players of all degrees of accomplishment we have included something for those who just barely play and for those who will one day produce their own guitar method book As if that weren t enough each song includes an introduction by Doc where he recollects and reminisces about the occasion on which he first heard a particular song who sang it how and where Doc gives his own verbal interpretation of each song and tells why he likes it There is a general introduction to the book by Doc and also one by Ralph Rinzler There s a section on how to read tablature and understand various symbols used in the guitar transcriptions Of course there are lots of photographs a discography too Finally so that you get the full flavor of Doc there are a few banjo pieces complete
