Gallow: The Fateguard Trilogy eBook Collection Nathan Hawke, 2014-05-01 I have been Truesword to my friends Griefbringer to my enemies To most of you I am just another Northlander bastard here to take your women and drink your mead but to those who know me my name is Gallow I fought for my king for seven long years I have fled in defeat and I have tasted victory and I will tell you which is sweeter Despise me then for I have slain more of your kin than I can count though I remember every single face Collected here are the first three Gallow novels along with a collection of framing short stories THE FATEGUARD TRILOGY tells of the years when Gallow discovered that a man as notorious as he was cannot live a quiet life and in the end must choose a side even if that means betraying his own people And when you betray a king you accept that there will be a reckoning The Fateguard are coming Contains THE CRIMSON SHIELD COLD REDEMPTION and THE LAST BASTION Gallow: The Fateguard Trilogy Nathan Hawke, 2015-06-09 I have been Truesword to my friends

Griefbringer to my enemies To most of you I am just another Northlander bastard here to take your women and drink your mead but to those who know me my name is Gallow I fought for my king for seven long years I have served lords and held my shield beside common men I have fled in defeat and I have tasted victory and I will tell you which is sweeter Despise me then for I have slain more of your kin than I can count though I remember every single face Gallow is an honest man but not one you would want to cross Left behind in a country that despises him all he wants is to live a peaceful life But the return of his countrymen on another invasion puts paid to his dreams And when he is called upon he will fight Perfect for fans of historical fiction who want a little more bite to their reading this trilogy earned rave reviews from authors such as Conn Iggulden and James Barclay **Gallow: The Anvil** Nathan Hawke, 2015-02-26 With the Lhosir king dead and his army slaughtered and drowned on the walls of Varyxhun castle King Valaric knows it s only a matter of time before the forkbeards stop licking their wounds and come at him again and when they do he d better be ready because there s nothing more precious to a forkbeard than his pride And one of the things he needs more than anything else is a working forge to hammer out more arrowhead and spearheads and draw more wire for mail and for a forge he needs tools and an anvil The nearest working forge that has everything he needs is in Issetbridge Issetbridge still occupied by the Lhosir so he d best send someone tough to go and get it and it has to be someone who knows his way around a forge but that s not a problem since it was going to be Gallow anyway his forkbeard smith What he also has is a man on the inside a carter whom the forkbeards of Issetbridge will recognise and might even let pass without trying to murder him It s all good until Gallow s wife Arda points out that half the Lhosir in Issetbridge will recognise Gallow and he s about as subtle and unobtrusive as a smack round the head from a hammer What Valaric really needs is someone who knows their way around a forge but whom the forkbeards won t notice A Marroc not a forkbeard Better still a woman Her Valaric reluctantly agrees What he doesn t know is that Arda and Fenaric the Carter have history and it s not pretty Gallow: Solace Nathan Hawke, 2015-04-09 Gallow has been tasked to carry the pieces of

armour that once belonged to the demonic Eyes of Time back to Middislet to re forge it with salt and then hide it Mirrahj meanwhile has chosen to leave the valley of Varyxhun to return to her people and with the sword Solace now at her side lead them home Together they travel towards the coast little knowing that the Eyes of Time is on their trail urgently seeking what Gallow carries
