resonates with the international crises we see today Frank Wisner was one of the most powerful men in 1950s Washington  
though few knew it Reporting directly to senior U S officials his work largely hidden from Congress and the public Wisner  
masterminded some of the CIA's most daring and controversial operations in the early years of the Cold War commanding  
thousands of clandestine agents around the world Following an early career marked by exciting escapades as a key World  
War II spy under General William Wild Bill Donovan Wisner quickly rose through the postwar intelligence ranks to lead a  
newly created top secret unit tasked under little oversight with overseeing massive propaganda economic warfare sabotage  
subversion and guerrilla operations all over the world including such daring initiatives as the CIA backed coups in Iran and
