Getting Honest Volina Cross, 2014-12-01 For the young Volina there are worlds she reads about in the magazines her mother brings home beyond her own world filled with domestic violence frightening racism and poverty Volina will escape from Mississippi But will she escape from her past from who she really is Getting Honest is the compelling poignant memoir of Volina Cross a woman who began life as one of sixteen children born to parents in the destitution of rural Mississippi Some fifty years after leaving Mississippi for what she assumed would be for good Volina an ordained Presbyterian minister returns It is only then that she realizes that in all those years she has been on a spiritual journey leading her inevitably back to from where she came She has come full circle and it is she knows no accident Something has been moving her through her entire life guiding her all along The destination creates in her a profound need to reexamine her life to consider her journey and to discover what is required of her a brutal kind of honesty Like many of us Volina has to come to terms with her past she has to come to terms with herself

River could do was pray for her sons safety and hope to maintain her strength until she unexpectedly came upon the perfect New Year s resolution one that focused on others instead of herself She would pray for a complete stranger every single day of the year In *Praying for Strangers* Jordan tells that the discovery that she made along the journey was not simply that her prayers touched the lives of these strangers in often astounding ways but that the unexpected connections she made with other people would be a profound experience that would change her life forever ***Forever Becoming*** Vivian Franck,2014-12-03 This book is about my life long search for spiritual meaning truth and freedom Raised during World War II within the confines of an all Catholic town in Northern Maine and within a community that kept an ever vigilant watch over the words and actions of its children this quest for enlightenment did not start easily Led by fear my parents imposed restrictions on their offspring according to their own blind acceptance of whatever words came out of the priests mouth Born with a strong will and a propensity to rebel I was pressured by my religious parents to choose the convent Strangely enough becoming a nun was the only way I could have come to the freedom that I craved Had I opted to stay in the world and marry I would never have had the deep realizations I awoke to through the wonderful retreats and experiences I enjoyed Upon returning into the world I was then ready to absorb the teachings of enlightened spiritual teachers who came my way Only by traveling this unique path have I confirmed a deep knowledge inside my own soul Our God is a God of unconditional love peace and joy which he liberally bestows on all his children for the asking Franck delivers an honest view of life spent behind convent doors and her narrative about the mystical experiences she s had will leave you feeling inspired Freelance Writer and Editor Ivory W Rieger An inspirational story of a truly spiritual life lived with a willing sense of adventure and exploration in the *Now* Martha Fenton A Hospital for Maine the History of Maine Medical Center ***Aloof*** Tony Kriz,2015-01-20 God are you there is a near universal cry of the human heart We have all longed for God to be tangible Some might sway to worship music others go on missions others fast from food The universal quest is to feel the divine and yet the divine seems aloof even shy In this narrative driven book Tony Kriz leads the reader on a journey of orchestrated epiphanies along the eternal quest to tangibly encounter God including the unpredictable moments that give us hope and even more so the long gaps between those moments that challenge our faith Written in an authentic conversational style *Aloof* is easily accessible to those who don t know much about the Bible yet the message is still theologically informed and culturally relevant This book will help you process how God acts uniquely towards us depending upon each stage of life The chapters include contemporary real life stories that normalize the experience of an often hidden God while also aiding the reader to acknowledge the very real moments rare though they may be when God has shown up in a tangible way ***Leaving the Saints*** Martha Beck,2006-04-25 As Mormon royalty within the Church of Jesus Christ of Latter day Saints Martha Beck was raised in a home frequented by the Church s high elders in an existence framed by the strictest code of conduct As an adult she moved to the east coast outside of her Mormon enclave for the first time in her life When her son was born with Down syndrome Martha

and her husband left their graduate programs at Harvard to return to Utah where they knew the supportive Mormon community would embrace them But when she was hired to teach at Brigham Young University Martha was troubled by the way the Church's elders silenced dissidents and masked truths that contradicted its published beliefs Most troubling of all she was forced to face her history of sexual abuse by one of the Church's most prominent authorities The New York Times bestseller *Leaving the Saints* chronicles Martha's decision to sever her relationship with the faith that had cradled her for so long and to confront and forgive the person who betrayed her so deeply *Leaving the Saints* offers a rare glimpse inside one of the world's most secretive religions while telling a profoundly moving story of personal courage survival and the transformative power of spirituality

Something other than God Jennifer Fulwiler, 2014-04-29 Jennifer Fulwiler told herself she was happy Why wouldn't she be She made good money as a programmer at a hot tech start up had just married a guy with a stack of Ivy League degrees and lived in a twenty first floor condo where she could sip sauvignon blanc while watching the sun set behind the hills of Austin Raised in a happy atheist home Jennifer had the freedom to think for herself and play by her own rules Yet a creeping darkness followed her all of her life Finally one winter night it drove her to the edge of her balcony making her ask once and for all why anything mattered At that moment everything she knew and believed was shattered Asking the unflinching questions about life and death good and evil led Jennifer to Christianity the religion she had reviled since she was an awkward sceptical child growing up in the Bible Belt Mortified by this turn of events she hid her quest from everyone except her husband concealing

religious books in opaque bags as if they were porn and locking herself in public bathroom stalls to read the Bible Just when Jennifer had a profound epiphany that gave her the courage to convert she was diagnosed with a life threatening medical condition and the only treatment was directly at odds with the doctrines of her new found faith Something other than God is a poignant profound and often funny tale of one woman who set out to find the meaning of life and discovered that true happiness sometimes requires losing it all
