The Great Migration (Second Edition) Edwin C. Guillet, 1963-12-15 Here is a record of one of history's great migrations the Atlantic Migration to the New World especially from 1770 to 1890 when eleven million people came from the British Isles to North America The slow crossing by sailing ship was unpleasant even in the best accommodation but for the poor conditions were wretched in the extreme Famine unemployment poverty drove many from the Old World and their desperate circumstances made them vulnerable to exploitation at both ends of the journey In the New World the immigrant had to adjust to strange conditions as he ventured into the interior of the continent to enter upon the hardships of pioneering Mr Guillet has located records never before consulted found contemporary descriptions not previously used and presented excerpts from diaries narratives letters and emigrant guidebooks formerly accessible only in museum and archives collections The illustrations are all from contemporary sources and provide in themselves an authentic and comprehensive picture of the times *Recruiter Journal*, 2008 **Soldiers**, 1998 *Sanskrit-English dictionary* M. Krishna's Lineage ,2019-07-02 Forming the final part of the Sanskrit Mahabharata the Harivamsha s main business is to supply narrative details about the great god Vishnu s avatar Krishna Vasudeva who has been a comparatively minor character in the previous parts of the Mahabharata despite having taken centre stage in the Bhagavad Gita Krishna is born in Mathura some 85 miles south of present day Delhi As an infant he is smuggled out of Mathura for his own safety He and his brother Baladeva grow up among cowherds in the forest where between them they perform many miraculous deeds and kill many dangerous demons before returning to Mathura where they kill the evil King Kamsa and his cronies Thereafter Krishna is the hero and unofficial leader of his people the Yadava Vrishnis When Mathura is besieged by enemies Krishna leads his people to abandon the town and migrate west founding the dazzling new city of Dvaraka by the sea Krishna then repeatedly travels away from that base repeatedly to perform heroic deeds benefitting those in need including his own people his more immediate family and the gods After narrating the stories of Krishna the Harivamsha ends by finishing the story of Janamejaya with which the Mahabharata began The Harivamsha is a powerhouse of Hindu mythology and a classic of world literature It begins by contextualising Vishnu s appearance as Krishna in several ways in the process presenting a variety of cosmogonical cosmological genealogical mythological theological and karmalogical materials It then narrates Krishna s birth and adventures in detail Presenting a wide variety of exciting stories in a poetic register that makes extensive use of natural imagery the Harivamsha is a neglected literary gem and an ideal starting point for readers new to Indian literature Emah Roo: Sooside Memories Danny Gill,2016-02-24 With the collapse of the back elevation of our tenement we were shipped out to one of those new housing schemes being built on the outskirts of Glasgow and I hated leaving the soo side behind I kept going back for this is where I felt I belonged In this book I have tried to keep alive those memories that people of my generation can all relate to just ordinary everyday things we all done in the Gorbals and Oatlands and which are forever embedded in our minds not forgetting walks over to the toon either I left Glasgow when I was 20 years old 48 years ago but like most exiles Glasgow has never left us **Cracking the SAT Subject Test in U.
