*Anonymous Soldiers* Bruce Hoffman, 2016-03-22 Winner of the National Jewish Book Award Winner of the Washington Institute Book Prize One of the Best Books of the Year St Louis Post Dispatch Kirkus Reviews In this groundbreaking work Bruce Hoffman America's leading expert on terrorism brilliantly re creates the crucial thirty year period that led to the birth of Israel Drawing on previously

untapped archival resources in London Washington D C and Jerusalem Anonymous Soldiers shows how the efforts of two militant Zionist groups brought about the end of British rule in the Middle East Hoffman shines new light on the bombing of the King David Hotel the assassination of Lord Moyne in Cairo the leadership of Menachem Begin the life and death of Abraham Stern and much else Above all he shows exactly how the underdog anonymous soldiers of Irgun and Lehi defeated the British and set in motion the chain of events that resulted in the creation of the formidable nation state of Israel One of the most detailed and sustained accounts of a terrorist and counterterrorist campaign ever written Hoffman has crafted the definitive account of the struggle for Israel and an impressive investigation of the efficacy of guerilla tactics Anonymous Soldiers is essential to anyone wishing to understand the current situation in the Middle East **The Holocaust in the Soviet Union** Yitzhak Arad,2009-07-01 Arad s examination of the differences between the Holocaust in the Soviet Union compared to other European nations reveals how Nazi ideological attacks on the Soviet Union led to harsher treatment of the Jews in the Soviet Union than in most other occupied territories The Holocaust Jeremy Black,2024-06-04 In The Holocaust History and Memory New Edition Jeremy Black revisits his brilliant and wrenching account of the brutal mass slaughter of Jews during World War II and the subsequent remembrance and misremembering of this genocide Black challenges the prevailing view that separates the Holocaust from Germany s military objectives with compelling evidence that Germany s war on the Allies was deeply intertwined with Hitler s war on Jews As Hitler expanded his control over more territories the extermination of Jews became a significant war aim particularly in the east Long before the establishment of extermination camps the German army and collaborators carried out mass shootings resulting in the deaths of many and the extermination of entire Jewish communities Notably Rommel s attack on Egypt was a crucial step toward the larger goal of annihilating 400 000 Jews living in Palestine Additionally Hitler interpreted America s initial focus on war with Germany rather than Japan as evidence of influential Jewish interests in American policy which further justified and escalated his war against Jewry through the Final Solution In chilling detail Black also unveils compelling evidence that many ordinary Germans must have been aware of the genocide happening around them The Holocaust History and Memory New Edition is an essential concise and highly readable history Now extensively revised and updated it continues to offer a powerful testimony to those forever silenced by the Holocaust ensuring that their horrifying fate will never be forgotten **Agent Zo** Clare Mulley,2024-12-03 The incredible and inspiring story of Elzbieta Zawacka the World War II female resistance fighter known as Agent Zo During World War II Elzbieta Zawacka the WW2 female resistance fighter known as Agent Zo was the only woman to reach London as an emissary of the Polish Home Army command In Britain she became the only woman to join the Polish elite Special Forces known as the Silent Unseen She was secretly trained in the British countryside and then she was the only female member of these forces to be parachuted back behind enemy lines to Nazi occupied Poland There while being hunted by the Gestapo who arrested her entire family she took a leading role in the Warsaw Uprising and the

liberation of Poland After the war she was discharged as one of the most highly decorated women in Polish history Yet the Soviet backed post war Communist regime not only imprisoned and tortured her but also ensured that her remarkable story remained hidden for over forty years Now through new archival research and exclusive interviews with people who knew and fought alongside Agent Zo Clare Mulley brings this forgotten heroine back to brilliant life while transforming how we value the history of women resistance fighters during World War II

**Brothers and Strangers** Steven E. Aschheim,1982-10-15

Brothers and Strangers traces the history of German Jewish attitudes policies and stereotypical images toward Eastern European Jews demonstrating the ways in which the historic rupture between Eastern and Western Jewry developed as a function of modernism and its imperatives By the 1880s most German Jews had inherited and used such negative images to symbolize rejection of their own ghetto past and to emphasize the contrast between modern enlightened Jewry and its half Asian counterpart Moreover stereotypes of the ghetto and the Eastern Jew figured prominently in the growth and disposition of German anti Semitism Not everyone shared these negative preconceptions however and over the years a competing post liberal image emerged of the Ostjude as cultural hero Brothers and Strangers examines the genesis development and consequences of these changing forces in their often complex cultural political and intellectual contexts

**Bringing the Dark Past to Light** John-Paul Himka,Joanna Beata Michlic,2013-07-01

Despite the Holocaust s profound impact on the history of Eastern Europe the communist regimes successfully repressed public discourse about and memory of this tragedy Since the collapse of communism in 1989 however this has changed Not only has a wealth of archival sources become available but there have also been oral history projects and interviews recording the testimonies of eyewitnesses who experienced the Holocaust as children and young adults Recent political social and cultural developments have facilitated a more nuanced and complex understanding of the continuities and discontinuities in representations of the Holocaust People are beginning to realize the significant role that memory of Holocaust plays in contemporary discussions of national identity in Eastern Europe This volume of original essays explores the memory of the Holocaust and the Jewish past in postcommunist Eastern Europe Devoting space to every postcommunist country the essays in Bringing the Dark Past to Light explore how the memory of the dark pasts of Eastern European nations is being recollected and reworked In addition it examines how this memory shapes the collective identities and the social identity of ethnic and national minorities Memory of the Holocaust has practical implications regarding the current development of national cultures and international relationships

**Fairy Tales Reimagined** Susan Redington Bobby,2014-01-10

Although readers and filmgoers are strongly familiar with Disney s sanitized child centric fairy tales they are quick to catch on to reworkings of classic tales into a contemporary context The rise in such retellings seems to indicate that readers are hungry for a new narrative one that hearkens back to the old yet moves the storyline forward to reflect conditions of the

modern world No mere escapist fantasies the reimagined fairy tales of the late 20th and early 21st centuries reflect social political and cultural truths Sixteen essays consider fairy tales recreated through short stories novels poetry and the graphic novel from both best selling and lesser known writers applying a variety of perspectives including postmodernism psychoanalysis Marxism feminism queer theory and gender studies Along with the classic fairy tales fiction from writers such as Neil Gaiman Stardust and Gregory Macquire Wicked is covered

**The Russian Army and the Jewish Population, 1914-1917** Semion Goldin, 2022-06-01 This book represents a new reading of a key moment in the history of East European Jewry namely the period preceding the collapse of the Russian Empire Offering a novel analysis of relations between the Russian army and Jews during the First World War it points to the army and military authorities as the gravediggers of the Jews fragile co existence with the tsarist regime It focuses on various aspects of the Russian army s brutal treatment of Jews living in or near the Eastern Front where three quarters of European Jewry were living when the war began At the same time it shows the enormous harm this anti Jewish campaign wreaked on the Russian empire s economy finances public security and international status

**The Holocaust and Masculinities** Björn Krondorfer, Ovidiu Creangă, 2020-04-01 Critically assesses the experiences of men in the Holocaust In recent decades scholarship has turned to the role of gender in the Holocaust but rarely has it critically investigated the experiences of men as gendered beings Beyond the clear observation that most perpetrators of murder were male men were also victims survivors bystanders beneficiaries accomplices and enablers they negotiated roles as fathers spouses community leaders prisoners soldiers professionals authority figures resisters chroniclers or ideologues This volume examines men s experiences during the Holocaust Chapters first focus on the years of genocide Jewish victims of National Socialism Nazi soldiers Catholic priests enlisted in the Wehrmacht Jewish doctors in the ghettos men from the Sonderkommando in Auschwitz and Muslim men in the camps The book then moves to the postwar context German Protestant theologians Jewish refugees non Jewish Austrian men and Jewish masculinities in the United States The contributors articulate the male experience in the Holocaust as something obvious the everywhere of masculinities and yet invisible the nowhere of masculinities lending a new perspective on one of modernity s most infamous chapters This is a carefully constructed and field defining work that will influence a generation of new scholars and be cited and discussed for years to come It builds on the existing scholarship on women and the Holocaust in a way that enriches our understanding of the intersectionality of masculinity and femininity

Zo Waxman author of *Women in the Holocaust* A Feminist History The contributors articulate some of the challenges for studying masculinity with regards to victims of the Holocaust making a convincing case for the benefits to be gained from doing so Clayton J Whisnant author of *Queer Identities and Politics in Germany* A History 1880-1945

**History of the Jews in the Duchy of Mantua** Shlomo Simonsohn,1977

**Goebbels** Peter Longerich,2015-05-05 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE TELEGRAPH From renowned German Holocaust historian Peter Longerich comes the definitive one volume biography of Adolf Hitler's malevolent minister of propaganda In life and in the grisly manner of his death Joseph Goebbels was one of Adolf Hitler's most loyal acolytes By the end no one in the Berlin bunker was closer to the Führer than his devoted Reich minister for public enlightenment and propaganda But how did this clubfooted son of a factory worker rise from obscurity to become Hitler's most trusted lieutenant and personally anointed successor In this ground breaking biography Peter Longerich sifts through the historical record and thirty thousand pages of Goebbels's own diary entries to provide the answer to that question Longerich the first historian to make use of the Goebbels diaries in a biographical work engages and challenges the self serving portrait the propaganda chief left behind Spanning thirty years the diaries paint a chilling picture of a man driven by a narcissistic desire for recognition who found the personal affirmation he craved within the virulently racist National Socialist movement Delving into the mind of his subject Longerich reveals how Goebbels's lifelong search for a charismatic father figure inexorably led him to Hitler to whom he ascribed almost godlike powers This comprehensive biography documents Goebbels's ascent through the ranks of the Nazi Party where he became a member of the Führer's inner circle and launched a brutal campaign of anti Semitic propaganda Though endowed with near dictatorial control of the media film radio press and the fine arts Longerich's Goebbels is a man dogged by insecurities and beset by bureaucratic infighting He feuds with his bitter rivals Hermann Göring and Alfred Rosenberg unsuccessfully advocates for a more radical line of total war and is thwarted in his attempt to pursue a separate peace with the Allies during the waning days of World War II This book also reveals as never before Goebbels's twisted personal life his mawkish sentimentality manipulative nature and voracious sexual appetite A harrowing look at the life of one of history's greatest monsters Goebbels delivers fresh insight into how the Nazi message of hate was conceived nurtured and disseminated This complete portrait of the man behind that message is sure to become a standard for historians and students of the Holocaust for decades to come Praise for Goebbels Peter Longerich has delved into rarely accessed material from his subject's diaries which span thirty years to paint a remarkable portrait of the man who became one of Hitler's most trusted lieutenants The Daily Telegraph Praise for Heinrich Himmler There have been several studies of this enigmatic man but Peter Longerich's massive biography grounded in exhaustive study of the primary sources is now the standard work and must stand alongside Ian Kershaw's

Hitler Ulrich Herbert's Best and Robert Gerwarth's Hitler's Hangman The Life of Heydrich as one of the landmark Nazi biographies As the author of a celebrated study of the Holocaust Longerich is better able than his predecessors to situate Himmler within the vast machinery of genocide And he brings to his task a gift for capturing those mannerisms that are the intimate markers of personality London Review of Books An excellent and comprehensive biography The New York Review of Books Trials of War Criminals Before the Nuernberg Military Tribunals Under Control Council Law No. 10, Nuremberg, October 1946-April, 1949: Case 11: U.S. v. von Weizsaecker (Ministries case) Germany (Territory under Allied occupation, 1945-1955 : U.S. Zone) Military Tribunals,1949 War and Genocide Doris L. Bergen,2024-07-30 In examining one of the defining events of the twentieth century Doris L Bergen situates the Holocaust in its historical political social cultural and military contexts Unlike many other treatments of the Holocaust this revised fourth edition discusses not only the persecution of Jews but also other groups targeted by the Nazis people with disabilities Roma queer people Poles in leadership positions Soviet POWs and others deemed unwanted In clear and eloquent prose Bergen explores the two interconnected goals that drove the Nazi German program of conquest and genocide purification of the so called Aryan race and expansion of its living space and invites readers to reflect on how the Holocaust connects to histories of violence around the world Replete with firsthand accounts from victims survivors and eyewitnesses this book is immediate human and eminently readable
