TRUE GHOST STORIES & PARANORMAL AND GHASTLY TALES FROM BEYOND ANDY KUNZ, 2023-07-16 The Anthology Horror short stories compiled in this Volume are based on Real Experience and stories of real people. The names used in the stories are names of real person who are either deceased or have survived a violent event or situation. Some changed their name as requested for whatever reason it might serve them. If I am going down a creepy road at night I would rather be riding a car rather than on foot. It makes me feel a lot safer and moves around quicker. It doesn't mean you are always safe though. Sometimes unexplained or just something paranormal are waiting to happen. There is a term for such a phenomenon, the appearance in consciousness of memory images which are not recognized as such but appear as real. Sleep seems like a simple human right, does it not? Like eating and clothing the body. If you are hungry and came to me for food would I hesitate to give it to you? Of course not. If you have nothing to wear would I not give you something of my own? Certainly I would. But if you needed sleep, a few hours of precious oblivion, how could I help you? I couldn't and there is nothing I can do about it. We live in a changing times that we fear tomorrow more than yesterday. What's to come next? Will be annihilated in our bed. Will we die from sleep paralysis? Will the ghost that had come with this book never leave you again? Is there any way ever living in peace ever again? Who can save us or the end is inevitable. **WARNING** Do not read this book alone.
