Corner for the community newsletter In it he shared tales about his family and his life growing up in the suburbs of New York He also wrote about events within the community along with tales of past traditions in his life and others Several of his articles ventured into the world of fiction as he imagined stories that might have occurred Each contribution was accompanied by a tasty recipe often tying the articles and recipes together A long time popular culinary instructor in Northern Virginia s Adult Community Education Program Chef Cal is well equipped with recipes that he knew his students and now his readers would rush to make themselves Ramblings contributions of over fifty recipes include traditional Italian delicacies tasty old fashioned comfort dishes soups and casseroles quick and easy desserts and special holiday treats Also included is Chef Cal s interpretation of miniature apple pies Without a doubt his book will be pulled out to create his meals whenever family and friends are gathered Several times as Chef Cal was writing his stories he found that Miss Kitty the gorgeous white cat that lived with the author and his wife during most of this time had something to say So he wrote about that too In some instances he even let Miss Kitty write her own story While the Ramblings of an Old Man is dedicated to the residents both past and current of that wonderful community known as Danbury Forest it also resonates with communities all across America No matter where you live be it a small hamlet a rural town a village or in a big city these stories are for you Some are humorous others sad Some true some imagined They all however tell a story and offer an opportunity to re create the foods that accompanied it So sit back and enjoy The Ramblings of an Old Man
