A Manual of Scripture History for Use in Jewish Schools and Families Louis Barnett Abrahams, 1908

Gideon's Chariot Harlan Wygant, 2013-03 Gideon's Chariot is a novel that crosses genre boundaries in a wonderfully unexpected way. Starting out it reads like a hard-nosed crime novel, then the author phases in a bit of science fiction to keep you on your toes, and then just as you think you're getting your bearings, faith is questioned, devotion, repentance, the end of days. The characters that Wygant has created are very three-dimensional. Their back stories, personalities, and physical characteristics are well established and consistent and individual enough to be memorable. The relationships between the characters also seem strongly believable. Gideon's Chariot is a good read with a unique and interesting concept. Who is Gideon, an angel or an alien? If an alien does this, it calls into question our societal or religious belief in angels. What if scripture was based on beings who were thought to be divine but who were actually extraterrestrial?

Gideon's Spies Gordon Thomas, 2015-03-17 In the secret world of spies and covert operations, no other intelligence service continues to be as surrounded by myth and mystery as the Mossad. The attack on Iraq's nuclear reactor that will be the flight path to an attack on Iran's nuclear facilities. Mossad's new cyber war unit preparing to launch its own pre-emptive strike. Why Mossad's former director Meir Dagan has spoken out against an attack on Iran. Mossad agents who operate in the Dark Side of the internet to track terrorists. Mossad's drone and its first killing. Mossad's role in the defense of Israel's Embassy in Cairo during the Arab Spring. An introduction to Mossad's new director Tamir Pardo. A Biblical Morning & Evening Prayer Manual Mark G. Boyer, 2024-12-27 A Biblical Morning Evening Prayer Manual is a reworking of the sixth-century Christian tradition of fixed times for prayer. All entries are taken from various English translations of the Bible. Because the principal times for prayer are morning and evening, this manual is a complete handbook of biblical passages for the modern person, consisting of material taking ten to fifteen minutes to absorb before beginning the day and ten to fifteen minutes when ending the day. Through daily prayer two times a day, one's spirituality is enhanced. After giving basic overviews as to the structure of morning and evening prayer, the author presents thirty-one exercises for each month, along with exercises for those who follow a liturgical calendar for Advent, Christmas, Lent, Easter, and major special days that fall during the year. All that is needed to pray biblically in the morning and the evening is contained in this single volume in its eight chapters.
