The Common Core, an Uncommon Opportunity Judith K. March, Karen H. Peters, 2013-11-05 Because the Common Core requires bold action. Why The Common Core an Uncommon Opportunity. Why now. Because it tackles a largely overlooked component of implementation how to redesign your instructional delivery system K 12. And you'll have to if you don't you'll be subject to the very same failure and frustration so many other districts and schools are experiencing. What's more March and Peters describe how to integrate 21st Century Skills at the very same time. It will help district leaders develop structured consistent and organized teaching and learning practices. Make district wide infrastructure adjustments for sustained reform.
