Holy Bible, Translated, Revised and Corrected from the 1898 version (English Edition) Edição Digital,2024-09-11 Holy Bible Translated Revised and Corrected from the 1898 version Discover Eternal Wisdom with the Holy Bible Translated Revised and Corrected by Unipress Editora Explore the 1898 version of the Holy Bible carefully translated revised and corrected by Unipress Editora This classic edition preserves the purity of the scriptures offering a faithful and in depth reading of the Word of God Whether for study personal devotion or spiritual enrichment this Bible is a reliable source of inspiration and guidance Download now and experience the confidence and peace that only a faithful and consecrated translation can provide Don t miss the opportunity to have in your hands an incomparable spiritual treasure approved over the centuries by scholars and spiritual leaders Click to download and strengthen your faith with a Bible that is synonymous with truth and trust [86 - English Edition](#) Okky Madasari,2015-12-22 What s the highlight of a low clerk at a court Monthly salary uniform or retirement benefits Arimbi a typist at a district court became the gem of pride for her parents and the people in her village She was a farmer s daughter who could become a public servant working in uniforms every day getting regular monthly salaries and would rightfully own a retirement benefit in her senior years one day Arimbi also became their rock of hope Many people passed on their messages and their wishes through her To them a clerk at a court was omnipotent From an innocent clerk who knew nothing about anything Arimbi adapted to and became a part of the shameless group of people at the court Nothing was illegal when many people had done it There was nothing to fear when many people consider it as a common thing The point was 86 **Woman and Socialism (English Edition)** August Bebel,2014-11-12 Example in this ebook We are living in an age of great social transformations that are steadily progressing In all strata of society we perceive an unsettled state of mind and an increasing restlessness denoting a marked tendency toward profound and radical changes Many questions have arisen and are being discussed with growing interest in ever widening circles One of the most important of these questions and one that is constantly coming into greater prominence is the woman question The woman question deals with the position that woman should hold in our social organism and seeks to determine how she can best develop her powers and her abilities in order to become a useful member of human society endowed with equal rights and serving society according to her best capacity From our point of view this question coincides with that other question In what manner should society be organized to abolish oppression exploitation misery and need and to bring about the physical and mental welfare of individuals and of society as a whole To us then the woman question is only one phase of the general social question that at present occupies all intelligent minds its final solution can only be attained by removing social extremes and the evils which are a result of such extremes Nevertheless the woman question demands our special consideration What the position of woman has been in ancient society what her position is to day and what it will be in the coming social order are questions that deeply concern at least one half of humanity Indeed in Europe they concern a majority of organized society

because women constitute a majority of the population Moreover the prevailing conceptions concerning the development of woman s social position during successive stages of history are so faulty that enlightenment on this subject has become a necessity Ignorance concerning the position of woman chiefly accounts for the prejudice that the woman s movement has to contend with among all classes of people by no means least among the women themselves Many even venture to assert that there is no woman question at all since woman s position has always been the same and will remain the same in the future because nature has destined her to be a wife and a mother and to confine her activities to the home Everything that is beyond the four narrow walls of her home and is not closely connected with her domestic duties is not supposed to concern her In the woman question then we find two contending parties just as in the labor question which relates to the position of the workingman in human society Those who wish to maintain everything as it is are quick to relegate woman to her so called natural profession believing that they have thereby settled the whole matter They do not recognize that millions of women are not placed in a position enabling them to fulfill their natural function of wifehood and motherhood owing to reasons that we shall discuss at length later on They furthermore do not recognize that to millions of other women their natural profession is a failure because to them marriage has become a yoke and a condition of slavery and they are obliged to drag on their lives in misery and despair To be continue in this ebook

Bad Girls of the

Bible Liz Curtis Higgs, 2013-07-16 Ten of the Bible's best known femmes fatales parade across the pages of this popular and unforgettable study with situations that sound oh so familiar. Women everywhere marvel at those good girls in Scripture: Sarah, Mary, Esther, but on most days that's not who they see when they look in the mirror. Most women, if they're honest, see the selfishness of Sapphira or the deception of Delilah. They catch a glimpse of Jezebel's take-charge pride or Eve's disastrous disobedience. Like Bathsheba, Herodias, and the rest, today's modern woman is surrounded by temptations, exhausted by the demands of daily living and burdened by her own desires. So what's a good girl to do? Learn from their lives, says beloved Bible study teacher and speaker Liz Curtis Higgs, and choose a better path. Whether they were Bad to the Bone, Bad for a Season but Not Forever, or only Bad for a Moment, these infamous sisters show women how not to handle the challenges of life. With her trademark humor and encouragement, Higgs combines a contemporary retelling of the stories of these other women in Scripture with a solid verse-by-verse study to teach us how to avoid their tragic mistakes and joyfully embrace grace. Let these Bad Girls show you why studying the Bible has never been more fun. Includes Discussion Questions and Study Guide.

In the Name of Friendship (English Version) Ririn R. Zaen, 2019-04-05. In the Name of Friendship (English Version). Shinta: please let me go for my sisters. Aiman pleaded, "I am sorry, Aiman. This is my duty. I can't help you." Shinta said regretfully, "Aiman suddenly knelt before Shinta and caught her hand in both of his." Please, Shinta. I acknowledged that I've done wrong. But please let me go just this once. Please for our friendship's sake, he begged. Shinta took a deep breath before she stated firmly, "Fine. In the name of our friendship, I'll let you go this time, Aiman. In the name of friendship, Shinta helped her best friend Aiman, even though she realized what he had done was wrong. Little did she know that her help would put Aiman's life in jeopardy instead."
