year old organization from its beginning in Great Britain through its international expansion Since 1910 millions of girls worldwide have been exposed to Scouting While much has changed since 1910 the core values of Scouting Guiding are still recognizable in today s programs namely the empowerment of girls through adventure character building home skills outdoor pursuits and active learning But has Scouting s very willingness to change with the times undermined its original ideologies and fundamentally changed the movement As Girl Scouts and Guides move into their second century their challenge will be to remain true to their founding values while remaking themselves on a regular basis Given the changing nature of today s societies and the serious problems girls face on a daily basis Girl Guides and Girl Scouts will need to be true to their motto Be Prepared in order to march forward successfully into the future Juliette Low Susan Bivin
